Rules to Know About Bringing your Dog to the Park

The City of South Gate understands that we all want to bring our entire family, including our dogs, to the park; for exercise, to socialize or just to enjoy our beautiful parks. But a busy park is not always the best place for a dog. To ensure that our four footed friends can also enjoy our City Parks, please remember the following rules.

Dogs are not allowed at South Gate Park except on the outside trail (sidewalks). Dogs must be on leash and in the owners control at all times.

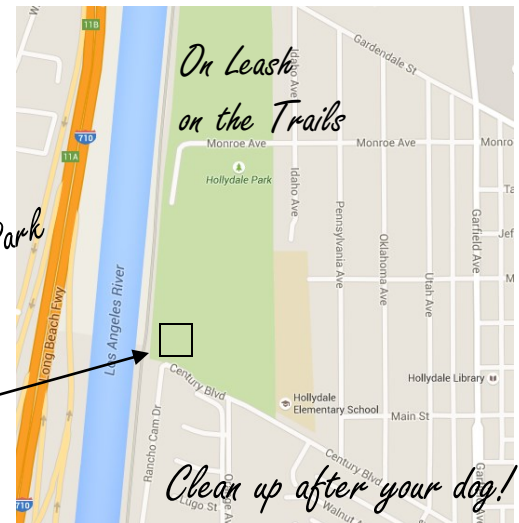

*Dogs OK, this trail only!
Must be on leash*

Clean up after your dog!

There is a City operated Dog Park in Hollydale Regional Park. Dogs may play off leash. Please obey all dog park rules. Dogs must be on leash when outside the dog park fence.
