Release Date: May 17, 2017

CONSTRUCTION ALERT

Elizabeth Reservoir, Booster Station, Well No. 28 and 29, at the Santa Fe Tank Site Project

Summary:

The City of South Gate continues its efforts to enhance the reliability of the City's Water System. As part of this project, the old existing waterline along Ardmore Avenue were replaced and now the contractor will be repairing and repaving the affected roadway.

What to Expect:

Beginning Wednesday, May 24, 2017, the westbound travel lanes along Ardmore Avenue between California Avenue and Otis Street will be closed to traffic. Eastbound travel lanes along Ardmore Avenue will remain open, at all times during construction. This work is expected to end on Thursday, May 25, 2017.

A Safety Message:

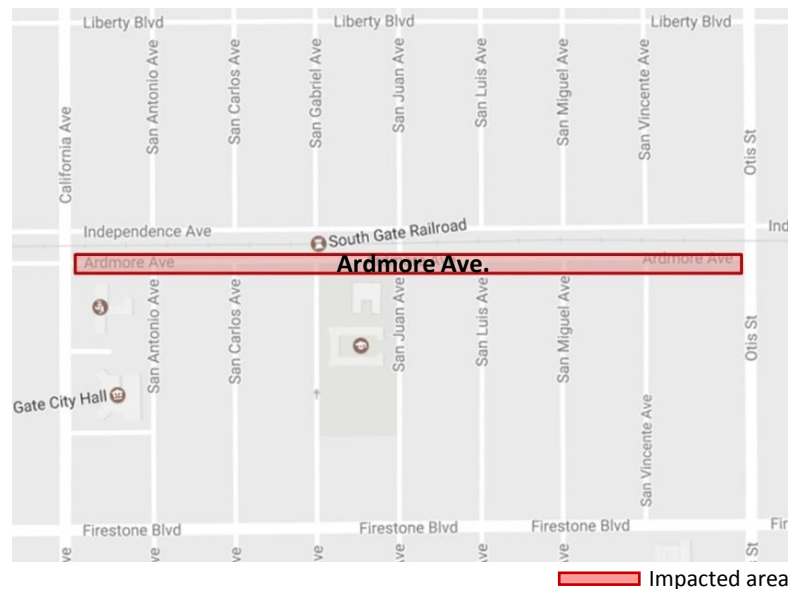

As you are approaching the construction work zone, please use caution. Slow down and maintain 15 mph speed limit. Please watch and respect the construction signs, cones, flag men and other advance warning signs and safety measures alerting motorists to changes in traffic patterns.

Questions?

For more information, please contact Mohammad E. Samiee, P.E. at (909) 522-7067.

Note:

Information contained in this Construction Alert is subject to change without notice, based on weather, field conditions or other operational factors.
