A NOTE FROM YOUR RISK MANAGER -
PROTECT YOUR SELF AGAINST EXTREME HEAT

We at the City of South Gate are interested in maintaining a healthy and safe workforce. We are also concerned with the health and safety of the community we serve.

In recent years, our weather seems to be more severe and unpredictable. As you plan your summer vacations, family reunions and cook outs you should also plan for EXTREME HEAT!

What is EXTREME HEAT?
Extreme heat is a long period of high heat combined with humidity and temperatures above 90 degrees Fahrenheit. Three or more days above 90 degrees constitutes a heat wave. Health and age play a significant role in how people react to extreme heat. Some common heat related injuries are:
- Heat Rash
- Heat Fainting
- Heat Cramps
- Heat Exhaustion
- Heat Stroke

If you see signs of any of these illnesses in any of your loved ones, or you just don’t feel well, please see your medical professional for assistance.

During these upcoming summer months, please consider the following:
- If you don’t have an air conditioner, go to a shopping mall or public building for a few hours.
- If you must be outdoors, wear lightweight clothing and sunscreen, avoid the hottest parts of the day, and avoid strenuous activities.
- Avoid drinks with caffeine (tea, coffee, and soda) and alcohol.
- Hydrate by drinking water.
- Check on friends, family, the elderly and your pets.
- Watch for signs of heat exhaustion or heat stroke.
- Find cooling centers in your area by contacting your county or calling your local health department, or City Department.

The City of South Gate provides a Cooling center at the Margaret Travis Senior Center located at 4855 Tweedy Boulevard. Call (323) 563-5479 for additional information.

Call customer service at 562-334-3660, email SGCustome rService@uwscompany.com or submit request on UWS website (uwscompany.com/south-gate) to schedule a pick up. Customers must provide a list of the items when scheduling the pickup.

As the City continues to implement its SB 1383 organics recycling program, you might be wondering: What’s supposed to go in my new green cart?

Your green cart is a dedicated organic waste container—intended for items such as yard waste, small wood scraps/chips, fruit, bread, fish, meat (no bones), vegetables, dairy, food-soiled napkins and compostable bags.

To prevent contamination, it’s important to avoid adding items such as glass, metal, styrofoam and pet waste to your green cart. Trash and recyclables should continue to only be disposed of in their dedicated black and blue carts. Using a plastic bag for organic waste collection is acceptable, but you should avoid loose bags or plastic containers.

When organic waste is separated appropriately, it can be repurposed into useful products such as mulch, compost, healthy soil and renewable energy, instead of emitting harmful greenhouse gasses while decomposing in landfills.

Thank you to all of our residents for helping to create a greener California; we’re sure that we can make a tremendous impact while working together! Learn more about the city’s organics recycling program: SortWasteSG.org.

The City of South Gate is proud to announce the new Shop SG Community Gift Card, a digital gift card that makes it fun and easy to spend local.

Purchase a Shop SG card to use at any of the participating shops in the neighborhood. With this card, you can write a personal message and send it to family, friends and colleagues via email, text, or physical copy.

Recipients can choose to spend it at one of 28 (and growing) participating merchants in South Gate - or mix it up and spend flexibly at multiple locations. The Shop SG Gift Card program is targeted at small independent businesses such as restaurants, retail, and hair and nail salons.

To launch the program, the City of South Gate is sponsoring a “Buy One Get One” (BOGO) feature: for each gift card purchased, the City will provide another card of the same value, up to a limit of two cards.

Visit cityofsouthgate.org to purchase a gift card.

The Code Enforcement Division has launched a new pilot program-Co-Op with Code. They have completed 2 community cleanups since the start of the year. The last cleanup included assistance and volunteers from the Conservation Corps of Long Beach & UWS. The cleanup resulted in the collection of 1,820 pounds of trash/debris. If you would like to join Co-Op with Code at future events, please email cdenforce@sogate.org

2) Dogs must be leashed when entering or leaving the safety of the Dog Park
3) Owners are required to pick-up and dispose of their dog's feces both in and out of the Dog Park
