SUBJECT: HOUSING AUTHORITY RESOLUTION DECLARING 9001-19 LONG BEACH BOULEVARD, SOUTH GATE, CALIFORNIA (APNs 6204-025-900, 6204-025-901, AND 6204-025-902) AS SURPLUS PROPERTY

PURPOSE: To consider the adoption of a South Gate Housing Authority (“Housing Authority”) Resolution that:

1. Declares 9001, 9015, and 9019 Long Beach Boulevard (“9001-19 Long Beach Boulevard”) as surplus property; and
2. Directs the Housing Authority Executive Director (“Executive Director”) to follow disposition procedures set forth in the Surplus Lands Act (“Act”).

RECOMMENDED ACTIONS: Adopt the Housing Authority Resolution declaring 9001-19 Long Beach Boulevard, South Gate, California as surplus property.

FISCAL IMPACT: The designation of surplus property has nominal costs funded by the Housing Authority for property disposition. Costs include staff and consultant time for preparing the required documents, transmitting the Notice of Availability, receiving and analyzing offers, and presenting recommendations to the Housing Authority. These Housing Authority funds are appropriated in Fund 322, which are restricted to fund affordable housing development, homeless prevention solutions, and related administration. The estimated cost of the surplus property disposition is $3,500.

ANALYSIS: For the past 2 years, the Housing Authority and Habitat for Humanity of Greater Los Angeles (“Habitat for Humanity”) worked towards the redevelopment of three parcels on the southwest corner of Long Beach Boulevard and Willow Street. Originally, the parties worked under an exclusive negotiation agreement, which after three extensions ended in July 2020. While the Housing Authority remains interested in an affordable ownership housing project on this site, recent changes to state law and HCD oversight that went into effect in April of this year make it difficult to continue negotiations without first proceeding through the Surplus Land Act disposition process that permits Habitat for Humanity and other affordable housing developers to propose competitively for this site. Habitat for Humanity management has expressed a desire to submit their proposal for this site and resume negotiations with the Housing Authority at the conclusion of the notice period.
Under the Surplus Land Act and HCD’s implementing guidelines, public agencies are now obligated to first make properties that are not under contract available as surplus properties before entertaining other offers. While the intent of the statute is to encourage affordable housing, the new process is an important next step. In short, public agencies with properties not under a current sales contract must first designate the properties as surplus property, then provide notice of their availability to specified nonprofit housing providers and certain other entities before engaging in negotiations to dispose of the properties with any other entity.

The process for surplus property disposition entails these main actions:

1. Under the Act, once the surplus designation is made, a notice of availability is prepared and transmitted to housing sponsors and other parties as required by law.
2. Those entities have sixty (60) days to notify the Housing Authority that they are interested in the property by providing a notice of intent.
3. Thereafter, the Housing Authority must negotiate in good faith with any qualifying entity expressing interest in the property.
4. If the Housing Authority and the qualifying entity cannot come to an agreement within ninety (90) days of the commencement of negotiations, or no qualifying entity expresses interest in the property during the sixty (60) day notice period, the Housing Authority is able to market and sell the property to any entity.
5. The Housing Authority is not required to sell the property to a qualifying entity for less than fair market value, but is required to negotiate with qualifying entities in “good faith”. Among other things, the Housing Authority is prohibited from negotiating with a potential buyer, other than a qualifying entity, until the ninety (90) day period has ended. In short, the Housing Authority could enter into an agreement within the 90 day period, or wait until the 90 day period lapses before proceeding with negotiations with another buyer.

The tentative disposition schedule is detailed below.

July 27, 2021 – Declare 9001-19 Long Beach Boulevard as Surplus Property
July 28, 2021 – Distribute Notice of Availability
September 26, 2021 – Notice of Intent Due from Qualifying Entities
October – December 2021 – Negotiation Period and Developer Agreement

The attached draft Notice of Availability is based on the HCD template and provides basic information as required HCD guidelines as well as states the City Council’s interest in affordable housing for this property should that be proposed by a prospective buyer. Under the HCD guidelines, housing is considered an acceptable use of any surplus property regardless of its zoning designation.

BACKGROUND: The subject property consists of three parcels, two of which were transferred from the former Community Development Commission (“CDC”) when the Housing Authority became the housing successor agency upon dissolution of redevelopment statewide in February 2012 and one which was subsequently purchased by the Housing Authority using housing successor funds in March 2020. Together, the property comprises 0.66 acres of irregularly shaped property located within the City’s Urban Neighborhood (UN) Zoning district. Under the current Zoning, residential is a permitted use at a maximum density of 40 units per acre, or up to 85 units per acre with density bonuses.
Development is constrained by the lot shape and depth on the west side adjacent to single family housing on Willow Street. Additionally, the property contains one existing use, a tire shop (Vallarta Tires) and the property has an identified soil contamination issue that was disclosed and studied prior to acquisition. Costs for remediation would be an added cost for redevelopment as well as tenant relocation assistance as required under the State Relocation Law. The balance of the site was cleared several years ago by the former CDC.

Under state law, the Housing Authority has until April 2023 to redevelop or dispose of the two original properties received from the CDC, as well as demonstrate that the purchase of 9019 Long Beach Boulevard resulted in the development of housing by June 2024.

On April 23, 2019, the Housing Authority and Habitat for Humanity entered into an Exclusive Negotiation Agreement ("ENA") for the redevelopment of the three parcels at 9001-19 Long Beach Boulevard, which would result in the development of 14 townhomes. 12 townhomes would be available for purchase to low- and moderate-income households and 2 townhomes would be available to rent to households earning less than 30 percent of the County median income.

The Habitat for Humanity ENA was subsequently amended three times between April 2019 and May 2020.

- On November 12, 2019, Amendment No 1 extended the closing date and increased the developer’s deposit from $20,000 to $75,000 to cover a portion of the costs for anticipate soil remediation, as well as put in place a trigger to terminate the agreement if the developer failed to make the additional deposit in a timely fashion, which it failed to do during the initial ENA. Amendment No. 1 also reduced the number of units from 15 to 14 at the developer’s request and clarified the required submittals from the developer.

- On January 28, 2020, Amendment No. 2 extended again the time to provide the $75,000 deposit and extended the outside termination date from March 12, 2020 to May 29, 2020. The developer subsequently made the deposit required under the ENA.

- On May 6, 2020, Amendment No. 3 followed the developer’s request for an 8-week extension of the ENA due to unforeseen circumstances at the time, resulting in a termination date of July 24, 2020.

After May 2020, the developer and city did not take any action to extend the ENA, which expired on July 24, 2020, and is no longer in force of effect, but did continue negotiations on the project structure including financing terms, unit mix, and design through the May 2021, including a workshop with the Planning Commission on the project held on October 20, 2020. However, under the Surplus Land Act and HCD guidelines, in order for any sale of the property to proceed, legal counsel has advised that the Housing Authority suspend these discussions, return the Habitat for Humanity deposit (net of appropriate costs allowed under ENA), and proceed with declaration of surplus property and notify affordable housing sponsors (including Habitat for Humanity, who is expected to submit their proposal again) of the opportunity to purchase and develop the site.

Once any offers (notices of interest) are received, the Housing Authority may rank the proposals based on the objectives in the Surplus Land Act and which project proposals it may wish to offer assistance, if any. The Surplus Land Act does not obligate the Housing Authority to sell the property for less than fair market value nor provide financial assistance to a proposal it does not favor.

Notice of Availability/Offer to Sell Surplus Property
9001-19 Long Beach Boulevard, South Gate
Housing Authority of the City of South Gate

July 28, 2021

To All Interested Parties:

As required by Government Code Section 54220 of the State of California, the Housing Authority of the City of South Gate ("Housing Authority") is providing notification that the Housing Authority intends to sell surplus property located at 9001, 9015, and 9019 Long Beach Boulevard ("Property") in the City of South Gate. The Housing Authority declared the Property surplus on July 27, 2021 by Resolution.

A map showing the location of the Property is presented in Attachment 2.

About the Subject Property and Goals for the Site

The Housing Authority seeks a 100% affordable housing project on the Property. The City is particularly interested in ownership affordable housing in this area where homeownership rates are very low and unattainable for many households.

The subject Property is a 0.66 acre lot comprised of three separate parcels (APNs 6204-025-900, 6204-025-901, and 6204-025-902). The Property has an irregular lot shape and is located on the southwest corner of Long Beach Boulevard and Willow Place adjacent to commercial uses to the south and an adjacent single family neighborhood to the west.

A portion of the Property located at 9019 Long Beach Boulevard is improved with a 651 square foot building and is leased to a tire shop on a month-to-month basis. The Property also has identified soil contamination. As such, additional redevelopment costs would include demolition, soil remediation, and tenant relocation assistance as required under the State Relocation Law would be added costs for site redevelopment. The balance of the Property is clear of improvements.

The Property is located within the City's "Urban Neighborhood" Zoning District.

Responding to this Notice of Availability

Entities proposing to submit a letter of interest are advised to review the requirements set forth in the Surplus Land Act (Government Code Section 54220-54234).

In accordance with Government Code Section 54222, an interested party has sixty (60) days from the date this offer was sent via certified mail or electronic mail to notify the Housing Authority of its interest in acquiring the Property. However, this offer shall not obligate the Housing Authority to sell the Property to an interested party. Instead, the Housing Authority would enter into at least ninety (90) days of negotiations with an interested party pursuant to Government Code Section 54223. If no agreement is reached on sales price and terms, the Housing Authority may market the Property to the general public.
As required by Government Code Section 54227, if the Housing Authority receives more than one letter of interest during this 60-day period, it will give first priority to entities proposing to develop housing where at least 25 percent of the units will be affordable to lower income households. If more than one such proposal is received, priority will be given to the proposal with the greatest number of affordable units. If more than one proposal specifies the same number of affordable units, priority will be given to the proposal that has the lowest average affordability level.

In the event any party is interested in purchasing the property, each interested party must provide a Notice of Interest in writing to the Housing Authority no later than sixty (60) days of the date of this Notice of Availability.

Following receipt of all Notices of Interest, the City will review and engage in good faith negotiations for a period of not less than ninety (90) days.
