Notification 48 hours prior to the City Council Meeting will enable the City to make reasonable arrangements to assure accessibility.
SUBJECT: AGREEMENT WITH TRIPEPI SMITH & ASSOCIATES, INC., TO DEVELOP A PROGRAM AND EVALUATE THE CITY’S EQUIPMENT TO BROADCAST ON THE CABLE CHANNEL 3

PURPOSE: The Project was bid for $10,825 and Tripepi Smith & Associates, Inc., (Tripepi Smith), submitted the lowest responsible and responsive bid. Staff recommends to award an agreement to develop a program for the City’s cable channel 3 and evaluate the City’s equipment to broadcast.

RECOMMENDED ACTIONS:

a. Approve Agreement with Tripepi Smith & Associates, Inc., to develop a program for the City’s cable channel 3 and evaluate the City’s equipment to broadcast, in the amount not-to-exceed $10,825; and

b. Authorize the Mayor to execute the Agreement in a form acceptable to the City Attorney.

FISCAL IMPACT: There is no fiscal impact to the General Fund. The Agreement will be funded in the amount of $10,825 from the PAC Fund, Account No. 263-150-12-9005.

ALIGNMENT WITH COUNCIL GOALS: This Project meets the City Council’s goal to improve communications and civic engagement with an emphasis on expanding electronic media and digital access.

ANALYSIS: The PAC is responsible for content and programming on the City’s government access channel (Spectrum Channel 3) and the City’s website. The equipment used to broadcast videos and operate a rotating bulletin board on Channel 3 was donated to the City by Time Warner Cable in October 2016, and is outdated. Because there is no backup equipment to operate the channel, it is important for the City to purchase new equipment if the Board of Directors desire to significantly upgrade its video production capabilities for Channel 3. New equipment would ensure Channel 3 remains viable and a community resource for additional years. If the Board of Directors were to provide direction in updating the equipment to broadcast on Channel 3, the cost would require a mid-year budget adjustment to accommodate the expenditure. The cost to purchase new equipment is estimated at $28,000 - 40,000.
BACKGROUND: On December 21, 2017, a Request for Proposals (RFP) to develop a program for the City’s cable channel 3 and evaluate the City’s equipment to broadcast was released to several qualified consulting firms. Proposals were submitted by two firms as summarized below:

<table>
<thead>
<tr>
<th>Name of Company</th>
<th>Bid Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tripepi Smith</td>
<td>$10,825 (includes program development, technical services &amp; travel time)</td>
</tr>
<tr>
<td>Darren P. Doerschel, Systems</td>
<td>$10,260 (only includes technical services &amp; travel time)</td>

As a part of the selection process, the Assistant City Manager and Management Analyst interviewed the two consultants. The selection process weighed a number of factors including fee, project manager and team qualifications, experience in similar projects, understanding of technical issues, and experience in system design.

Based on the ranking criteria, Tripepi Smith received the highest ranking.

Tripepi Smith offers the following:

- Qualified Consultant: With 20 years of public and private sector experience, Tripepi Smith specializes in three key areas: technology, marketing, and public affairs.

- Capabilities: Tripepi Smith has capabilities that span the technology and marketing world, including:
  - Full video production/editing/distribution
  - Messaging and communication strategy
  - Media relations and engagement
  - Social media management and strategic advice

- Experience on Similar Projects — Tripepi has recently completed projects similar in scope for the City of Bellflower, Placentia and Villa Park.

Tripepi Smith exhibits the capability, capacity, and experience to perform the work required under the bid solicitation.

(626) 536-2173
ryder@tripepismith.com

A. Formal notices, demands and communications to be given hereunder by either party shall be made in writing and may be affected by personal delivery or by mail.

B. If the name of the principal representative designated to receive the notices, demands or communications, or the address of such person, is changed, written notice shall be given within five (5) working days of said change.

2. Description of Work.

City hereby engages Consultant, and Consultant accepts such engagement, to perform the technical and professional services, as needed, set forth in the "Proposal" attached hereto as Exhibit "A". Consultant shall perform and complete, in a manner satisfactory to City, all work and services set forth in Exhibit "A". The Director of Public Works, or the Director of Public Works' designee, shall have the right to review and inspect the work during the course of its performance at such times as may be specified by the Director of Public Works.

3. Data Provided to Consultant.

City shall provide to Consultant, without charge, all data, including reports, records, maps and other information, now in the City's possession, which may facilitate the timely performance of the work described in Exhibit "A".

4. Independent Contractor.

Consultant is an independent contractor and shall have no power or authority to incur any debt, obligation or liability on behalf of the City.

5. Consultant's Personnel.

A. All services required under this Agreement will be performed by Consultant, or under Consultant's direct supervision, and all personnel shall possess the qualifications, permits and licenses required by State and local law to perform such services, including, without limitation, a City of South Gate business license as required by the South Gate Municipal Code.

B. Consultant shall be solely responsible for the satisfactory work performance of all personnel engaged in performing services required by this Agreement, and compliance with all reasonable performance standards established by City.
C. Consultant shall be responsible for payment of all employees' and subcontractor's wages and benefits, and shall comply with all requirements pertaining to employer's liability, workers' compensation, unemployment insurance, and Social Security.

D. Consultant shall indemnify and hold harmless the City and all other related entities, officers, employees, and representatives, from any liability, damages, claims, costs and expenses of any nature arising from alleged violations of personnel practices, or of any acts or omissions by Consultant in connection with the work performed arising from this Agreement.

A. The total compensation to be paid by City to Consultant for as needed work and services described in Exhibits "A" shall be as submitted in the proposal for an amount not to exceed $10,825. Consultant's fees and charges for the work and services performed shall in no event exceed those set forth in Exhibit "A" attached hereto and made a part hereof. Notwithstanding anything to the contrary in the proposal, invoices will be processed for payment and paid subject to approval by Assistant City Manager/Director of Public Works and City Council within forty-five (45) days from date of receipt by Assistant City Manager/Director of Public Works.

B. Consultant shall be required to attend meetings as necessary in the delivery of the projects. Travel time between the Consultant's office and the meeting location shall not exceed the proposed budget of $450.

7. Indemnity and Insurance.

A. Consultant agrees to indemnify, hold harmless and defend the City, its officers and employees, from and against any and all claims, losses, obligations, or liabilities whatsoever incurred in or in any manner arising out of or related to Consultant's negligent or willful acts, errors or omissions, or those of its employees or agents. Consultant will deliver to City a certificate of insurance evidencing professional liability insurance coverage in an amount not less than $1,000,000.

B. (1) The Consultant, at its expense, shall maintain in effect at all times during the performance of work under this Agreement not less than the following coverage and limits of insurance, which shall be maintained with insurers listed "A" or better in the Best's Insurance Guide and authorized to do business in the State of California.

(a) Workers' Compensation and Employer's Liability
- Workers' Compensation-coverage as required by law.
- Employer's Liability-limits of at least $1,000,000 per occurrence.

(b) Comprehensive General Liability
Combined Single Limit-$1,000,000.

The automobile and comprehensive general liability policies may be combined in a single policy with a combined single limit of $1,000,000. All of the Consultant's policies shall contain an endorsement providing that written notice shall be given to City at least thirty (30) calendar days prior to termination, cancellation or reduction of coverage in the policy.

(2) Policies providing for bodily injury and property damage coverage shall contain the following:

(a) An endorsement extending coverage to City as an additional insured, in the same manner as the named insured, as respects liability arising out of the performance of any work under the Agreement. Such insurance shall be primary insurance as respects the interest of City, and any other insurance maintained by City shall be considered excess coverage and not contributing insurance with the insurance required hereunder.

(b) "Severability of Interest" clause.

(c) Provision or endorsement stating that such insurance, subject to all of its other terms and conditions, applies to the liability assumed by Consultant under the Agreement, including without limitation that set forth in Section 10.A.

(3) Promptly on execution of this Agreement and prior to commencement of any work Consultant shall deliver to City copies of all required policies and endorsements to the required policies.

(4) The requirements as to the types and limits of insurance to be maintained by the Consultant are not intended to and shall not in any manner limit or qualify Consultant's liabilities and obligations under this Agreement.

(5) Any policy or policies of insurance that Consultant elects to carry as insurance against loss or damage to its equipment and tools or other personal property used in the performance of this Agreement shall include a provision waiving the insurer's right of subrogation against the City.

8. Termination for Convenience.

The City may terminate this Agreement at any time without cause by giving fifteen (15) days written notice to Consultant of such termination and specifying the effective date thereof. In that event, all finished or unfinished documents and other materials shall, at the option of City, become its property. If this Agreement is terminated by City as provided herein, Consultant will be paid a total amount equal to its costs as of the termination date, plus ten percent (10%) of that amount for profit. In no event shall the amount payable upon termination exceed the total maximum compensation provided for in this Agreement.
9. **Termination for Cause.**

A. The City may, by written notice to Consultant, terminate the whole or any part of this Agreement in any of the following circumstances:

   1. If Consultant fails to perform the services required by this Agreement within the time specified herein or any authorized extension thereof; or

   2. If Consultant fails to perform the services called for by this Agreement or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either of these circumstances does not correct such failure within a period of ten (10) days (or such longer period as City may authorize in writing) after receipt of notice from City specifying such failure.

B. In the event City terminates this Agreement in whole or in part as provided above in paragraph A of this Section 10, City may procure, upon such terms and in such manner as it may deem appropriate, services similar to those terminated.

C. If this Agreement is terminated as provided above in paragraph A, City may require Consultant to provide all finished or unfinished documents, data, studies, drawings, maps, photographs, reports, etc., prepared by Consultant. Upon such termination, Consultant shall be paid an amount equal to the value of the work performed. In ascertaining the value of the work performed up to the date of termination, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents whether delivered to City or in possession of Consultant, and to authorized reimbursement expenses.

D. If, after notice of termination of the Agreement under the provisions of this Section 10, it is determined, for any reason, that Consultant was not in default, or that the default was excusable, then the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Section 9.

10. **Non-Discrimination and Equal Employment Opportunity.**

A. In the performance of this Agreement, Consultant shall not discriminate against any employee, subcontractor, or applicant for employment because of race, color, religion, ancestry, sex, national origin, handicap or age. Consultant will take affirmative action to ensure that subcontractors and applicants are employed, and that employees are treated during employment without regard to their race, color, religion, ancestry, sex, national origin, handicap or age. Affirmative action relating to employment shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment; layoff or termination; rates of pay or other forms of compensation; and selection for training including apprenticeship.

B. The provisions of subsection A above shall be included in all solicitations or advertisements placed by or on behalf of Consultant for personnel to perform any services under this Agreement. City shall have access to all documents, data and records of Consultant.
and its subcontractors for purposes of determining compliance with the equal employment opportunity and non-discrimination provisions of this Section, and all applicable provisions of Executive Order No. 11246 which is incorporated herein by this reference. A copy of Executive Order No. 11246 is available for inspection and on file with the Public Works Department.

11. **Consultant's Warranties and Representations.**

Consultant warrants and represents to City as follows:

A. Consultant has not employed or retained any person or entity, other than a bona fide employee working exclusively for Consultant, to solicit or obtain this Agreement.

B. Consultant has not paid or agreed to pay any person or entity, other than a bona fide employee working exclusively for Consultant, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the execution of this Agreement. Upon such breach or violation of this warranty, City shall have the right, in its sole discretion, to terminate this Agreement without further liability, or, in the alternative, to deduct from any sums payable hereunder the full amount or value of any such fee, commission, percentage or gift.

C. Consultant has no knowledge that any officer or employee of the City has any interest, whether contractual, noncontractual, financial, proprietary, or otherwise, in this transaction or in the business of the Consultant, and that if any such interest comes to the knowledge of Consultant at any time, a complete written disclosure of such interest will be made to City, even if such interest would not be deemed a prohibited "conflict of interest" under applicable laws.

D. Upon the execution of this Agreement, Consultant has no interest, direct or indirect, in any transaction or business entity which would conflict with or in any manner hinder the performance of services and work required by this Agreement, nor shall any such interest be acquired during the term of this Agreement.

12. **Subcontracting, Delegation and Assignment.**

A. Consultant shall not delegate, subcontract or assign its duties or rights hereunder, either in whole or in part, without the prior written consent of the Director of Public Works; provided, however, that claims for money due or to become due to Consultant from City under this Agreement may be assigned to a bank, trust company or other financial institution without such approval. Any proposed delegation, assignment or subcontract shall provide a description of the services to be covered, identification of the proposed assignee, delegee or subcontractor, and an explanation of why and how the same was selected, including the degree of competition involved. Any proposed agreement with an assignee, delegee or subcontractor shall include the following:

   (1) The amount involved, together with Consultant's analysis of such cost or price.
A provision requiring that any subsequent modification or amendment shall be subject to the prior written consent of the City.

B. Any assignment, delegation or subcontract shall be made in the name of the Consultant and shall not bind or purport to bind the City and shall not release the Consultant from any obligations under this Agreement including, but not limited to, the duty to properly supervise and coordinate the work of employees, assignees, delegees and subcontractors. No such assignment, delegation or subcontract shall result in any increase in the amount of total compensation payable to Consultant under this Agreement.

All plans, specifications, reports, studies, tracings, maps and other documents prepared or obtained by Consultant in the course of performing the work required by this Agreement shall be the property of the City. Basic survey notes, sketches, charts, computations and similar data prepared or obtained by Consultant under this Agreement shall, upon request, be made available to City without restriction or limitation on their use.

A. This Agreement supersedes all prior proposals, agreements, and understandings between the parties and may not be modified or terminated orally.

B. No attempted waiver of any of the provisions hereof, nor any modification in the nature, extent or duration of the work to be performed by Consultant hereunder, shall be binding unless in writing and signed by the party against whom the same is sought to be enforced.

C. Consultant acknowledges and agrees that it has consulted with an attorney, or has knowingly foregone the opportunity to do so and executes this Agreement knowingly and voluntarily.

15. Resolution of Disputes.

Disputes regarding the interpretation or application of any provisions of this Agreement shall, to the extent reasonably feasible, be resolved through good faith negotiations between the parties. In the event that the parties cannot reach agreement, parties agree to submit their dispute to non-binding arbitration prior to the commencement of any legal action or suit. The parties are free to choose a mutually agreeable arbitrator; however, in the event of a lack of agreement between the parties, the matter shall be submitted to the American Arbitration Association and be subject to its Commercial Arbitration Rules. Each party shall bear its own costs and fees, and share equally in the cost of the arbitration fee.

16. Severability
If any provision of this agreement is held by court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions nevertheless will continue in full force and effect without being impaired or invalidated in any way.

17. Exhibits.

The following exhibit to which reference is made in this Agreement is deemed incorporated herein in their entirety:

Exhibit "A" Proposal dated October 25, 2018
Exhibit "B" Revised Fee Proposal dated December 10, 2018

18. Governing Law.

This Agreement shall be governed by the laws of the State of California.

19. Effective Date.

Unless otherwise specified herein, this Agreement shall become effective as of the date set forth on which the last of the parties, whether City or Consultant, executes said Agreement, and shall terminate on December 31st, 2022 unless terminated otherwise in accordance with the terms of this agreement.

Ryder Todd Smith - President
Ryder Todd Smith has a mixed background in the worlds of government relations, technology and marketing. He served as the SVP of operations and Chief Information Officer for a software-as-a-service startup in the financial services sector. Prior to that, he was the Technology Manager for a regional staffing firm. Ryder leads Tripepi Smith and is the ultimate project owner on all work handled by the firm. He is the creator of the City Internet Strategies Study and a frequent speaker on the local government circuit on local government use of the Internet to engage and connect with residents. He is a resident of Tustin, CA where he served on the Planning Commission. He is Vice Chair of the Board of Governors for the Rose Institute of State and Local Government. Ryder graduated from Claremont McKenna College with a Bachelor of Arts in Politics-Philosophy-Economics and a dual degree in Economics.

Eric Lowy – Video Production and Media Specialist
Eric has an extensive knowledge of live productions and broadcasts on various types of equipment. Eric has worked on countless live city council broadcasts as well as theatrical event productions. Eric is certified in Adobe Premier Pro and Yamaha Digital Console. He has worked with Empire Media Productions for the last three years. Eric’s experience was acquired both within Empire Media Productions and through his other work experience.

Melanie James – Business Analyst
Melanie James is a skilled graphic artist and has become expert on the WordPress platform. She has quickly developed a full suite of creativity skills rooted in her formal graphic arts education. Her skills cover the full Adobe Creative Suite and into HTML, CSS and JavaScript. She has worked on websites for: DLJ Financial, Municipal Management Association of Northern California, Inland Empire Utilities Agency, Urban Futures Inc., Association of California Cities – Orange County and South Orange County Wastewater Authority.

Bria Balliet – Business Analyst
Bria Balliet is a triple-threat of creative talent: a writer, graphic artist and photographer. Her skills enable her to be a complete storyteller in words and visuals. She honed her skills early on at the University of California, San Diego where she majored in communications. She put her degree to work for a local publication where she rose to be the Editorial Assistant. She then transitions her storytelling skills to the University of California, Irvine where she was a senior writer producing stories and publication about the School of Social Sciences.
Approach to Requested Services
The Tripepi Smith team brings expertise in council meeting video production and non-meeting event and educational format video production. The City of South Gate is seeking to significantly upgrade its video production capabilities for City’s cable channel 3. The City is specifically looking for the following:

- Assessment and evaluation
- Project development and design
- Bid/proposal process and award
- Project management/installation/closeout

Tripepi Smith sees this work breaking down into the following phases:

Kickoff and Scope Review – Tripepi Smith will meet with City Staff to review the project, discuss goals and objectives, ensure clarity on task ownership, tour the City’s facilities, and develop a details task plan and timeline.

Need Evaluation and RFP Content Development – Tripepi Smith staff will develop a narrative on the goals of the project, key specifications and other considerations. This information will be documented and integrated into the City’s existing RFP documents and process.

RFP Process Support – Tripepi Smith will provide oversight on the RFP submissions and suggest firms who are qualified to bid on the work or have a history of doing similar work (note these firms have no relationship with Tripepi Smith). Tripepi Smith will review the RFP responses with City Staff using the City’s preferred process and will aid City Staff in drafting the staff report and recommendation.

Vendor Implementation Oversight – Tripepi Smith will work with vendor to ensure their specification are matching the goals of the RFP and ensure delivering on the requirements from the RFP.

Key Assumptions
The following elements are assumed as part of this bid or will be obligations of South Gate City Staff:

- City will provide a dedicated engagement contact.
- City will provide Tripepi Smith complete access to the facilities used to produce council videos.
- City will provide access to the staff or contractors who currently produce council meeting media (audio recordings)
- City will manage overall RFP process in compliance with its rules and using its existing systems.
**Conflicts of Interest Disclosure and Principles**

Tripepi Smith operates in a complex marketplace that is more political than most industries. As a result, conflicts of interest (real or perceived) can arise. The first and foremost obligation of Tripepi Smith is to outline all existing client relationships to prospects so as to let the prospect determine if a conflict exists. Tripepi Smith will happily review current client relationships with the City.

Read more about Tripepi Smith’s commitment to ethics here: [http://www.tripepismith.com/about-us/ethics/](http://www.tripepismith.com/about-us/ethics/)

We do not foresee any conflicts of interest with our existing work.
**Fee Schedule & Estimate**

Tripepi Smith has provided an estimate below based on our hourly rates. We are approaching this engagement with a time and materials approach. Our estimate reflects our best determination of the hours involved to do the work. If fewer hours are required, we will only bill for those hours, saving money relative to our estimate.

However, if the work takes more time that we have estimated, for any hours over the estimate total, Tripepi Smith will reduce our bill rates by 30% for total billings that exceed $10,825.

To: Marina Urias  
Management Analyst  
City of South Gate  

Re: City Channel, Cable TV Automation and Playback System Replacement Project  

Marina:  

Thank you for allowing me the opportunity to provide you with this proposal regarding the City's On-Air Playback System replacement project. I look forward to working with the City on its timely completion.  

Credentials and Qualifications  
As a Systems Integration Consultant, I work as a sole proprietor, doing business under my legal business name Darren P. Doerschel. My expertise and areas of technology that I work in include both the Audio-Visual and Television Production industries. My business is located in Santa Monica, California and currently possess all general and professional liability insurance at limits usually matching or exceeding City requirements. As a sole proprietor I am not required by the state to carry worker's compensation insurance since I have no employees.  

I have specialized in the public sector, including municipal government access stations, K12 and higher education, and have been providing consulting services for over 20 years on projects related to AV and TV Production technology. I currently have contracts with LA County, the City of Los Angeles, the County of Los Angeles, Beverly Hills School District, the City of Santa Barbara, the Anaheim Union High School District, the City of Long Beach, the City of Orange, the City of Calabasas, the City of Torrance, the City of Simi Valley, the City of Santa Clarita, the City of Hawthorne and several other municipalities. I am also working with a few other entertainment related companies and TV Stations. Some of these engagements are project-based contracts while others are long-term maintenance and general consulting contracts that cover various tasks under a not-to-exceed contract amount. I can provide several references of any of the above existing contracts or any previous upon request.  

I am a media systems design engineer, consultant and installer using AutoCAD and Visio for design and documentation; I provide project management services, construction oversight for AV/IT technology, create bid and proposal specifications and scope of work documentation; provide systems testing and analysis, conduct functional compliance/performance testing and project close-out services. I also provide TV Programming content services.  

Overview of Proposal  
This proposal is intended to clarify my understanding of the project and outline various tasks and the Scope of Work required of the project. It is understood that the Consultant is to provide Technical Consulting Services to assist the City in the process of writing an RFP, going out to bid, selecting a vendor, providing installation oversight and making sure the system is installed and fully functioning as specified.  

I have worked as an employee and contractor for Government Access TV Stations for over 30 years providing a range of creative programming and technical production services over that time. I will provide the City of South Gate recommendations for creating content, the general programming of the TV Channel and how best to promote and market the channel itself.  

The systems and areas of focus to be improved or replaced is the City's Automated Playback System for the City's Cable Channel. The basic systems are a video and audio Recording and Playback Server, an Automated Scheduling and Graphics software system and the Video and Audio Infrastructure and Support.
The Recording and Playback Server consists of video and audio inputs and outputs contained within a Server Based rack-mount chassis. The Scheduling and Graphics Software reside also on the Playback Server. A GUI Web interface provides anyone who has credentials and network access to control, download files and schedule the entire system as a part of the software application capabilities. The Video and Audio Infrastructure would consist of video and audio monitoring, network appliances, rack furniture and interfacing with City's outgoing cable systems.

The following tasks and allotment of hours are based on my experience with similar projects of size and scope. The amount of hours reflected is an allotment or an "allowance" of hours expected to cover all onsite or offsite meetings, equipment research, communications, and assist the City with the general design and all the technical and administrative aspects of the project. In the interest of providing flexibility with this proposal, please regard the stated allotment of hours and associated tasks as a suggested scope of work which can be increased, reduced or omitted based on the City's needs.

The above costs and range of hours is based solely on the estimated tasks. If the required tasks take fewer hours to complete only those hours will be billed. If there are additional tasks required during the project not reflected in this proposal, the City can make the determination whether to increase the hours or reduce the requirements in other areas of this project.

Estimated System Costs:

Most recently I have assisted other Municipalities with similar projects so I'm able to give examples of what they spent. The Cities of Long Beach, Moorpark, Orange, Hawthorne all had an Automated Channel Playback system similar to South Gates and replaced them over the last 3 years, with costs for replacement being from $28,000 to $60,000 (not including the Consultants cost above). I can work with the City in the Assessment Phase to meet a particular budget if these cost spent by the other Cities seem too high.

Please contact me with any changes you wish to make regarding the scope of work proposed. Again, thank you for the opportunity to propose a potential solution for the City of South Gate.

Sincerely,

Darren P. Doerschel
