SUBJECT: AMENDMENT NO. 1 TO CONTRACT NO. 2020-01-SA WITH RSG, INC., TO CONTINUE PROVIDING GENERAL ON-CALL SERVICES FOR THE SUCCESSOR AGENCY TO THE COMMUNITY DEVELOPMENT COMMISSION OF THE CITY OF SOUTH GATE

PURPOSE: To amend Contract No. 2020-01-SA with RSG, Inc., to continue providing general on-call services to the Successor Agency for an additional one-year.

RECOMMENDED ACTIONS: The Successor Agency to the Community Development Commission of the City of South Gate will consider:

a. Approving Amendment No. 1 to Contract No. 2020-01-SA with RSG, Inc., to continue as needed administrative services through June 30, 2022 in an amount not to exceed $51,775; and

b. Authorizing the Chairperson to execute Amendment No. 1 in a form acceptable to the Agency Counsel.

FISCAL IMPACT: Funds, in the amount of $51,775, were included in the Fiscal Year 2021/22 Municipal Budget in Account Number 100-601-42-6101.

ALIGNMENT WITH COUNCIL GOALS: The Services provided through this agreement allows for more effective development of programs and policies related to future planning and affordable housing. This agreement supports the City Council’s goals of “continuing and protecting strong neighborhoods” and “continuing infrastructure improvements.”

ANALYSIS: The Successor Agency has several ongoing mandated requirements for which additional outside expertise is needed to assist staff with the successful completion of the requirements. RSG has provided the services in the past and it is staff’s desire that they continue to assist staff with these various tasks.

Services for the Successor Agency are funded by RPTTF revenue received through the ROPS for administration and property disposition. The Successor Agency will continue to exist
until 2024-25 when the bonds are paid off, unless properties remain unsold. Overall, for the year RSG anticipates a budget of $51,775 for the services outlined below.

RSG would continue to provide administrative and financial support services to the Administrative Services Department for the Successor Agency, including preparation of the Prior Period Adjustment due by October 1, 2021 and ROPS for 2022-23. As part of these activities, RSG would review cash balances, prior year payments of enforceable obligations, preparation of the administrative budget, and other required accounting activities. RSG work includes collection and review of accounting records from the Department, preparation of required forms, coordination with staff, preparation of staff reports, resolutions, and supporting documents for Successor Agency and Oversight Board ROPS approval, and coordination with County Oversight Board, County Auditor Controller, and the Department of Finance with respect to review and inquiries on these documents.

Additionally, RSG would continue to assist the Community Development Department manage the disposition of the three remaining properties held by the Successor Agency for sale pursuant to the Long Range Property Management Plan.

- **3500 Tweedy Bl:** The Successor Agency owns a parcel within a larger parking lot adjacent to TELACU’s South Gate Senior Villas project at the corner of Tweedy and California Avenue. The former gas station site is undergoing soil vapor extraction under a LARWQCB-approved remediation plan funded by RPTTF. RSG’s role has been to work on behalf of the City to monitor Tetra Tech’s work, coordinate between the various agencies involved, and ultimately seek to expedite case closure in order so that the Successor Agency may dispose of the property per the LRPMP.

- **7916 Long Beach Bl:** Presently, the Successor Agency is about to transmit the Notice of Availability for 7916 Long Beach Boulevard, making the surplus property available for offers by affordable housing sponsors and other parties. RSG would compile and review Notices of Interest received, assist staff and the Successor Agency with selection of a desired buyer, and administer the required 90-day good faith negotiation period as well as other requisite actions under the Surplus Land Act. At the conclusion of negotiations, RSG would prepare a purchase and sale agreement and present the agreement to the Successor Agency and Oversight Board for their consideration.

- **El Paseo Parking Lot:** The final property to be sold by the Successor Agency is a portion of the surface parking lot at the El Paseo Shopping Center. The CDC originally acquired the property as part of the redevelopment of the property which was a petroleum tank farm many decades ago; the original intent was that the CDC would hold this portion of the site with the highest levels of contamination in perpetuity. The subject property is a clay cap remediation device that restricts the use of the parcel. Dissolution of course alters this plan; now the Successor Agency will need to find a future owner – likely one that would expect remediation and/or liability protection perhaps under the Gatto Act.

**BACKGROUND:** The Successor Agency has several ongoing requirements mandated by ABx126 (the dissolution of redevelopment agencies) that require outside expertise. The Successor Agency has had a successful and productive partnership with RSG for several
years and desires to continue that relationship. RSG is an expert in the fields of community
development, economic development, housing, the winding down of redevelopment
agencies and so much more.

By approving the proposed Agreement, the Successor Agency Board is authorizing staff to
continue to work with RSG, Inc., through and including June 30, 2022, to further our efforts
towards successful completion of these many ongoing requirements.

PROPOSED WORK PROGRAM – 2021-22
SUCCESSOR AGENCY SERVICES

Dear Mr. Jeffers:

At your request, RSG has prepared this scope of work for the 2021-22 fiscal year.

ACCOMPLISHMENTS DURING THE CURRENT FISCAL YEAR

Since the beginning of the current fiscal year, RSG has provided over 1,200 hours of consulting services to South Gate resulting in the following accomplishments:

1. Successor Agency
   a. Timely completion of prior period adjustment by October 2020
   b. Processing an amendment to the contract with Tetra Tech for remediation services associated with the Successor Agency-owned parcel at 3500 Tweedy and approval of additional ROPS funding for ongoing vapor extraction activities
   c. Coordination on behalf of the Successor Agency with Tetra Tech and LARWQCB on remediation activities resulting in a plan to expedite cleanup
   d. Timely completion of ROPS 2021-22 resulting in approval by the Successor Agency, First District Oversight Board, and Department of Finance of requested enforceable obligation payments
   e. Evaluation of an alternative development plan by GDS Institute and processing of their termination of escrow on 7916 Long Beach Bl, as well as the surplus property designation and notice of availability
   f. Timely completion of four proof of payment reviews requested by the County Auditor Controller
PROPOSED WORK PROGRAM FOR 2021-22

RSG has developed the proposed work plan for FY 2021-22 based on the status of projects we are currently handling.

Successor Agency

Services for the Successor Agency are funded by RPTTF revenue received through the ROPS for administration and property disposition. The Successor Agency will continue to exist until 2024-25 when the bonds are paid off, unless properties remain unsold. Overall, for the year RSG anticipates a budget of $517,775 for the services outlined below.

RSG would continue to provide administrative and financial support services to the Administrative Services Department for the Successor Agency, including preparation of the Prior Period Adjustment due by October 1, 2021 and ROPS for 2022-23. As part of these activities, RSG would review cash balances, prior year payments of enforceable obligations, preparation of the administrative budget, and other required accounting activities. RSG work includes collection and review of accounting records from the Department, preparation of required forms, coordination with staff, preparation of staff reports, resolutions, and supporting documents for Successor Agency and Oversight Board ROPS approval, and coordination with County Oversight Board, County Auditor Controller, and the Department of Finance with respect to review and inquiries on these documents.

Additionally, RSG would continue to assist the Community Development Department manage the disposition of the three remaining properties held by the Successor Agency for sale pursuant to the Long Range Property Management Plan.

- **3500 Tweedy Bl:** The Successor Agency owns a parcel within a larger parking lot adjacent to TELACU’s South Gate Senior Villas project at the corner of Tweedy and California Avenue. The former gas station site is undergoing soil vapor extraction under a LARWQCB-approved remediation plan funded by RPTTF. RSG’s role has been to work on behalf of the City to monitor Tetra Tech’s work, coordinate between the various agencies involved, and ultimately seek to expedite case closure in order so that the Successor Agency may dispose of the property per the LRPMP.

  TELACU has the first right of refusal to purchase the property pursuant to their prior agreement with the former Community Development Commission inherited by the Successor Agency. It is yet uncertain whether TELACU would exercise this right; should they not, the Successor Agency would need to declare the property surplus, issue a notice of availability, enter into good-faith negotiations for 90 days, and then either enter into an agreement for the sale or market the property to other buyers. RSG expects these disposition activities to commence in April 2022.

- **7916 Long Beach Bl:** Presently, the Successor Agency is about to transmit the Notice of Availability for 7916 Long Beach Boulevard, making the surplus property available for offers by affordable housing sponsors and other parties. RSG would compile and review Notices of Interest received, assist staff and the Successor Agency with selection of a desired buyer, and administer the required 90-day good faith negotiation period as well as other requisite actions under the Surplus Land Act. At the conclusion of negotiations, RSG would prepare a purchase and sale agreement and present the agreement to the Successor Agency and Oversight Board for their consideration.

  Should negotiations not result in the selection of a buyer, RSG would develop and execute the marketing plan to solicit offers from other buyer/developers and prepare and present the necessary purchase and sale agreement for the Successor Agency and Oversight Board.
RSG recommends that the Successor Agency enter into only the PSA with the selected buyer. As a condition of sale, the buyer would be expected to execute of a separate affordable housing agreement with the City. This separating the housing obligations from the PSA provides the City more agility should the affordable housing agreement need to be amended in the future. You will notice this component is included in our work for the Housing Authority.

EI Paseo Parking Lot: The final property to be sold by the Successor Agency is a portion of the surface parking lot at the EI Paseo Shopping Center. The CDC originally acquired the property as part of the redevelopment of the property which was a petroleum tank farm many decades ago; the original intent was that the CDC would hold this portion of the site with the highest levels of contamination in perpetuity. The subject property is a clay cap remediation device that restricts the use of the parcel. Dissolution of course alters this plan; now the Successor Agency will need to find a future owner—likely one that would expect remediation and/or liability protection perhaps under the Gatto Act.

Costs for this would need to ideally be borne by the Successor Agency, but the certainty on funding—not to mention the interest of a private owner taking ownership—is highly unclear notwithstanding the very clear expectation that the Successor Agency will complete its activities by 2024-25. With the pending EPA assessment grant, there may be some additional resources available to investigate and identify a solution, but ultimately this is an issue that may take more years to resolve.

Because of the uncertainty on funding in the future for this obligation, RSG recommends the Successor Agency prioritize some efforts to develop a plan for how to dispose of this remaining asset so that it does not become an administrative burden on the city for which there is no funding available. It may be the case that the Dissolution Act will fail to correctly provide a solution but protecting the City will remain a priority.

FEE PROPOSAL

An overall schedule for the work program above with the various optional components is included as an attachment to this letter. The breakdown of the corresponding funding sources is presented below as well:

3. TERM OF AGREEMENT. This Agreement is effective as of March 10, 2020, and will remain in effect through and including June 30, 2021, unless otherwise expressly extended and agreed to by both Parties in writing, or terminated by either Party as provided herein.

The Successor Agency shall have access to all documents, data and records of Consultant and its subcontractors for purposes of determining compliance with the equal employment opportunity and non-discrimination provisions of this Section, and all applicable provisions of Executive Order No. 11246 which is incorporated herein by this reference. Consultant agrees to indemnify, defend and hold harmless the Successor Agency and/or any other City of South Gate agency, including other employees, officers and representatives, for/from any and all claims or actions of any kind asserted against the Successor Agency and/or any other City agency arising out of Consultant's (including Consultant's employees, representatives, products and subcontractors) negligent performance under this Agreement, excepting only such claims or actions which may arise out of sole or active negligence of the Successor Agency and/or any other City agency, or any third parties not acting on behalf of, at the direction of, or under the control of Consultant.

6.7 Compliance With Applicable Law. Consultant and the Successor Agency shall comply with all applicable laws, ordinances and codes of the federal, state, county and city governments, without regard to conflict of law principles.
6.8 **Independent Contractor.** This Agreement is by and between the Successor Agency and Consultant and is not intended, nor shall it be construed, to create the relationship of agency, servant, employee, partnership, joint venture or association, as between the Successor Agency and Consultant.

6.8.1. Consultant shall be an independent contractor and shall have no power to incur any debt or obligation for or on behalf of the Successor Agency. Neither the Successor Agency nor any of its officers or employees shall have any control over the conduct of Consultant, or any of Consultant’s employees, except as herein set forth, and Consultant expressly warrants not to, at any time or in any manner represent that it, or any of its agents, servants or employees are in any manner employees of the Successor Agency, it being distinctly understood that Consultant is and shall at all times remain to the Successor Agency a wholly independent contractor and Consultant’s obligations to the Successor Agency are solely such as are prescribed by this Agreement.

6.8.2. Indemnification of CalPERS Determination- In the event that Consultant or any employee, agent, or subcontractor of Consultant providing services under this Agreement claims or is determined by a court of competent jurisdiction or CalPERS to be eligible for enrollment in CalPERS as an employee of the Successor Agency, Consultant shall indemnify, defend, and hold harmless the Successor Agency for the payment of any employee and/or employer contributions for CalPERS benefits on behalf of Consultant or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of the Successor Agency.

6.9 **Consultant’s Personnel.**

6.9.1 All services required under this Agreement will be performed by Consultant, or under Consultant’s direct supervision, and all personnel shall possess the qualifications, permits and licenses required by State and local law to perform such services, including, without limitation, a City of South Gate business license as required by the South Gate Municipal Code.

6.9.2 Consultant shall be solely responsible for the satisfactory work performance of all personnel engaged in performing services required by this Agreement, and compliance with all reasonable performance standards established by the Successor Agency.
6.9.3 Consultant shall be responsible for payment of all employees' and subcontractor's wages and benefits, and shall comply with all requirements pertaining to employer's liability, workers' compensation, unemployment insurance, and Social Security.

6.9.4 Consultant shall indemnify and hold harmless the Successor Agency and all other related entities, officers, employees, and representatives, from any liability, damages, claims, costs and expenses of any nature arising from alleged violations of personnel practices, or of any acts or omissions by Consultant in connection with the work performed arising from this Agreement.

6.10 Copyright. No reports, maps or other documents produced in whole or in part under this Agreement shall be the subject of an application for copyright by or on behalf of Consultant.

6.11 Legal Construction.

6.11.1 This Agreement is made and entered into in the State of California and shall in all respects be interpreted, enforced and governed under the laws of the State of California, without regard to conflict of law principles.

6.11.2 This Agreement shall be construed without regard to the identity of the persons who drafted its various provisions. Each and every provision of this Agreement shall be construed as though each of the parties participated equally in the drafting of the same, and any rule of construction that a document is to be construed against the drafting party shall not be applicable to this Agreement.

6.11.3 The article and section, captions and headings herein have been inserted for convenience only and shall not be considered or referred to in resolving questions of interpretation or construction.

6.11.4 Whenever in this Agreement the context may so require, the masculine gender shall be deemed to refer to and include the feminine and neuter, and the singular shall refer to and include the plural.

6.12 Final Payment Acceptance Constitutes Release. The acceptance by Consultant of the final payment made under this Agreement shall operate as and be a release of the Successor Agency from all claims and liabilities for compensation to Consultant for anything done, furnished or relating to Consultant's work or services. Acceptance of payment shall be any negotiation of the Successor Agency's check or the failure to make a written extra compensation claim within ten (10) calendar days of the receipt of that check.

Page 7 of 13
However, approval or payment by the Successor Agency shall not constitute, nor be deemed, a release of the responsibility and liability of Consultant, its employees, subcontractors and agents for the accuracy and competency of the information provided and/or work performed; nor shall such approval or payment be deemed to be an assumption of such responsibility or liability by the Successor Agency for any defect or error in the work prepared by Consultant, its employees, subcontractors and agents.

6.13 Corrections. In addition to the above indemnification obligations, Consultant shall correct, at its expense, all errors in the work which may be disclosed during the Successor Agency's review of Consultant's report or plans. Should Consultant fail to make such correction in a reasonably timely manner, such correction shall be made by the Successor Agency, and the cost thereof shall be charged to the Consultant.

6.14 Files. All files of Consultant pertaining to the Successor Agency shall be and remain the property of the Successor Agency. Consultant will control the physical location of such files during the term of this Agreement and shall be entitled to retain copies of such files upon termination of this Agreement.

6.15 Waiver; Remedies Cumulative. Failure by a Party to insist upon the performance of any of the provisions of this Agreement by the other Party, irrespective of the length of time for which such failure continues, shall not constitute a waiver of such Party's right to demand compliance by such other Party in the future. No waiver by a Party of a default or breach of the other Party shall be effective or binding upon such a Party unless made in writing by such Party, and no such waiver shall be implied from any omissions by a Party to take any action with respect to such default or breach. No express written waiver of a specified default or breach shall affect any other default or breach, or cover any other period of time, other than any default or breach and/or period of time specified. All of the remedies permitted or available to a Party under this Agreement, or at law or in equity, shall be cumulative and alternative, and invocation of any such right or remedy shall not constitute a waiver or election of remedies with respect to any other permitted or available right of remedy.

6.16 Mitigation of Damages. In all such situations arising out of this Agreement, the Parties shall attempt to avoid and minimize the damages resulting from the conduct of the other Party.

6.17 Severability. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.
6.18 Attorney’s Fees. The Parties hereto acknowledge and agree that each will bear his or its own costs, expenses and attorney's fees arising out of and/or connected with the negotiation, drafting and execution of the Agreement, and all matters arising out of or connected therewith except that, in the event any action is brought by any Party hereto to enforce this Agreement, the prevailing Party in such action shall be entitled to reasonable attorney’s fees and costs in addition to all other relief to which that Party or those Parties may be entitled.

6.19 Entire Agreement and Amendments. This Agreement constitutes the whole agreement between the Successor Agency, and Consultant, and neither Party has made any representations to the other except as expressly contained herein. Neither Party, in executing or performing this Agreement, is relying upon any statement or information not contained in this Agreement. Any amendments, changes or modifications to this Agreement must be made in writing and appropriately executed by both the Successor Agency and Consultant.
