Avenue, north of the parcels fronting Tweedy Boulevard and south of the Specific Plan boundary are primarily multifamily uses. The Specific Plan zoning continues to permit these uses with a Neighborhood Medium zoning designation. Per the City’s General Plan 2035, these parcels are designated Neighborhood-Low, which does not permit multifamily uses. In order to ensure consistency between the Specific Plan zoning and the General Plan 2035 Community Design Element, the latter document is being updated concurrently to ensure consistency between the two documents by changing the land use designation for these parcels to Neighborhood-Medium.
