A look back in time..
South Gate Police Department Brings Holiday Cheer

The South Gate Police Officers’ Association (SGPOA) prides in serving our community through various programs. Every year during the holiday season, our police officers donate and volunteer numerous hours to bring the Santa Cop program to our community. Santa Cop was created to help less fortunate families in our community by bringing gifts and a visit from Santa. Santa Cop will take place on December 9th, and 10th, 2022. Inquiries can be sent to Detective Padilla at bpadilla@sogate.org.

In the month of December, the South Gate Police Management Association (SGPMA) will host its “Police Navidad” event and distribute toys to the youth in our community. This event is open to the public and toys are distributed on a “first come, first served” basis until supplies run out. Santa Claus will make a special appearance and there will be music and fun for everyone. This year’s Police Navidad will take place on Thursday, December 15, 2022, starting at 6pm, at the Civic Center, 8640 California Avenue, South Gate. Inquires can be sent to Lt. Manny Arana at mvarana@sogate.org.

Follow us on our various social media sites (Instagram @south_gate_police_department and Facebook @SoGatePD) and download the South Gate Police Department phone application to stay up to date with all our events.

Mobile Health Clinics

In May of 2022, the City of South Gate and AltaMed began a unique partnership to deliver health screening services to the community. Realizing access to preventative health care is a challenge for residents, the City Council approved a three (3) year contract with AltaMed to provide 24 mobile health clinics throughout the city each year.

AltaMed has stayed true in their mission to eliminate disparities in health care access and outcomes by providing superior health and human services for Latino, multi-ethnic and often-overlooked communities in Southern California for over 50 years.

For many Latino communities the ability to access health care is difficult due to insufficient or lack of health care insurance, transportation to clinics or hospitals, and economic disparity. Especially as witnessed during the COVID-19 pandemic, these same communities experience higher hospitalizations and mortality losses in large part due to the lack of fundamental healthcare services.

The mobile healthcare unit provides basic preventative health screenings for blood pressure, cholesterol, glucose, and body mass index. Each time the mobile health clinic visits the City of South Gate, it is stationed in different areas on the west, central and east side of South Gate to make access easier for all residents. In addition to the screening services, AltaMed will assist individuals with signing up for Covered California and access low or fee health insurance provided by the Affordable Care Act.

Come visit the mobile clinic at South Gate Park after the Christmas Parade on December 11, 2022. For future dates and locations stay tuned to the City’s Instagram @CityofSouthGateCA and Facebook at City of South Gate. The program is being funded by the American Rescue Plan Act (ARPA) which the City received in 2021.
New Trash, Recycling and Organics Recycling Hauler

The City contracts with Waste Management to provide solid waste and recycling collection services. The agreement will end on December 31, 2022. In order to ensure that residents and businesses continue to receive collection services for reasonable rates, the City received bids from regional trash collection providers. After extensive dialogs, the City selected and entered into an agreement with Universal Waste Systems, Inc. (“UWS”), to provide trash, recycling, and organics recycling services.

Waste Management will continue to provide services through December 31, 2022, and UWS will begin providing services on January 1, 2023. Additional information will be provided over the next several months.

Customers should be aware that a new organics collection container from UWS will be provided in advance of January 1, 2023, however service will not begin until January 1, 2023. The container will be taped shut until January 1, 2023. Do not place materials in your organics container before January 1, 2023.

**WM Holiday Message**

WM would like to wish all South Gate residents a happy holiday season. Our team has appreciated being your service provider for the past 17 years. Effective January 1, 2023, Universal Waste Systems (UWS) will be the franchised service provider for the South Gate community. WM will begin curbside tree collection on December 26, 2022 – December 30, 2022. UWS will resume tree collection when they begin services on January 1, 2023.

**Instructions for Tree Collection**

- Remove all decorations, including tinsel, lights, ornaments, and tree stands
- Place your tree on the curb for recycling, do not place inside the trash or recycle container
- Trees that are taller than six feet must be cut in half
- Flocked trees cannot be recycled. They will be collected with your regular trash.

**Holiday Recycling Q&A**

**Q: Can glass ornaments be placed in your recycling cart?**
**A:** No, these items do not belong in your recycling cart. Damaged ornaments can be thrown away in your trash cart but if they’re still in good condition, consider donating them to a local charity.

**Q: Is wrapping paper recyclable?**
**A:** That depends on the type; paper-based wrapping paper is recyclable but if it’s foil-based (shiny), it is not.
Dogs are NOT ALLOWED inside South Gate Park except on the outside trail (sidewalks).

1. Dogs must be on leash and in the owners' control at all times.
2. Please pick up after your dog.

The City of South Gate understands that we all want to bring our entire family, including our dogs, to the park; for exercise, to socialize or just to enjoy our beautiful parks. But a busy park is not always the best place for a dog. To ensure that our four footed friends can also enjoy our City Parks, please remember the following rules.

1) Park is open from dawn to dusk
2) Dogs must be leashed when entering or leaving the safety of the Dog Park
3) Owners are required to pick-up and dispose of their dog’s feces both in and out of the Dog Park
4) Owners are solely responsible for their dog’s behavior and will be liable for injuries or damage caused by their dogs
5) Owners use the park at their own risk. South Gate Parks & Recreation Department is not responsible for injury or illness to dogs or owners
6) South Gate Parks & Recreation Department reserves the right to close the Dog Park for inclement weather, maintenance, repairs, special events or when deemed necessary
