11. Indemnity and Insurance.

A. Consultant shall indemnify and hold harmless the City and all other related entities, officers, employees, and representatives("Indemnified Parties"), from all actions, suits, proceedings, liability, damages, claims, costs and expenses of any kind or nature whatsoever ("Claims") which may be brought, made, filed against, imposed upon or sustained by the Indemnified Parties, or any of them, alleging (a) injury to or death of persons or damage to property, including property owned by or under the care and custody of City, and that such injury, death, or damage arises from or is attributable to or caused by the negligence or willful misconduct of Consultant, its officers, employees, subcontractors, agents, or representatives in connection with or pertaining to performance of the Services. The City shall notify Consultant of any such Claim, shall tender its defense to Consultant, and shall assist Consultant, as may be reasonably requested, in such defense. Upon such notification and tender, Consultant shall have the independent duty to defend such Claim and to indemnify the Indemnified Parties. If a court of competent jurisdiction determines that the Claim was caused by the negligence or willful misconduct of the Indemnified Parties, or any of them, Consultant’s duty of indemnity shall be reduced by the percentage of negligence or willful misconduct the court attributes to the Indemnified Parties, or any of them. Payment of a Claim shall not be a condition precedent to an Indemnified Party’s right to defense and indemnity.

B. As a condition precedent to the effectiveness of this Agreement, and without limiting Consultant’s obligations of indemnity set forth above, Consultant shall procure and maintain in full force and effect during the term of this Agreement, the following types and levels of insurance with insurers listed

3. Comprehensive General Liability
   - Combined Single Limit-$2,000,000.

The automobile insurance shall be in an amount of $1,000,000 per person and $2,000,000 per accident. All of the Consultant's policies shall contain an endorsement providing that written notice shall be given to City at least thirty (30) calendar days prior to, cancellation of the policy, ten (10) days notice if cancellation is due to nonpayment of premium.

4. Policies providing for bodily injury and property damage coverage shall contain the following:
   (a) An endorsement extending coverage to City as an additional insured, in the same manner as the named insured, as respects liability arising out of the performance of any work under the Agreement. Such insurance shall be primary insurance as respects the interest of City, and any other insurance maintained by City shall be considered excess coverage and not contributing insurance with the insurance required hereunder. E. Any policy or policies of insurance that Consultant elects to carry as insurance against loss or damage to its equipment and tools or other personal property used in the performance of this Agreement shall include a provision waiving the insurer's right of subrogation against the City.

12. Termination

A. Termination for Convenience

The City Council may terminate this Agreement at any time without cause by giving fifteen (15) days written notice to Consultant of such termination and specifying the effective date thereof. In that event, all finished or unfinished documents and other materials shall, at the option of City, become its property. If this Agreement is terminated by City as provided herein, Consultant will be paid a total amount equal to its actual costs as of the termination date, plus ten percent (10%) of that amount for profit. In no
event shall the amount payable upon termination exceed the total maximum compensation provided for in this Agreement.

B. Termination for Cause.

1. The City Council may, by written notice to Consultant, terminate the whole or any part of this Agreement in any of the following circumstances:

   (a) If Consultant fails to perform the services required by this Agreement within the time specified herein or any authorized extension thereof; or

   (b) If Consultant fails to perform the services called for by this Agreement or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either of these circumstances does not correct such failure within a period of ten (10) days (or such longer period as City may authorize in writing) after receipt of notice from City specifying such failure.

2. In the event City terminates this Agreement in whole or in part as provided above in paragraph A of this Section 12, City may procure, upon such terms and in such manner as it may deem appropriate, services similar to those terminated.

3. If this Agreement is terminated as provided above in paragraph 12.A or 12.B, City may, at its election, require Consultant to provide all finished or unfinished documents, data, studies, drawings, maps, photographs, reports, etc., prepared by Consultant. Upon such termination, Consultant shall be paid an amount equal to the value of the work performed.

4. If, after notice of termination of the Agreement under the provisions of this Section 12, it is determined, for any reason, that Consultant was not in default, or that the default was excusable, then the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to subsection A above.

C. Payment on Termination

If this Agreement is terminated prior to the expiration of its term, Consultant shall be paid for those charges for Services which have accrued but not been paid through the effective date of termination. Consultant agrees to accept such amount, plus all amounts previously paid, as full payment and satisfaction of all obligations of City to Consultant. In ascertaining the value of the Services performed through the date of termination, consideration shall be given to both completed work and work in progress, to complete and incomplete drawings, and to other documents whether delivered to City or in possession of Consultant, and to authorized and reimbursable expenses.

A. In the performance of this Agreement, Consultant shall not discriminate against any employee, subcontractor, or applicant for employment because of race, color, religion, ancestry, sex, national origin, handicap or age. Consultant will take affirmative action to ensure that subcontractors and applicants are employed, and that employees are treated during employment without regard to their race, color, religion, ancestry, sex, national origin, handicap or age. Affirmative action relating to employment shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment; layoff or termination; rates of pay or other forms of compensation; and selection for training including apprenticeship.

B. The provisions of subsection A above shall be included in all solicitations or advertisements placed by or on behalf of Consultant for personnel to perform any services under this
Agreement. City shall have access to all documents, data and records of Consultant and its subcontractors for purposes of determining compliance with the equal employment opportunity and non-discrimination provisions of this Section, and all applicable provisions of Executive Order No. 11246 which is incorporated herein by this reference. Consultant shall not delegate, subcontract or assign its duties or rights hereunder, either in whole or in part, without the prior written consent of the City. Any proposed delegation, assignment or subcontract shall provide a description of the services to be covered, identification of the proposed assignee, delegee or subcontractor, and an explanation of why and how the same was selected, including the degree of competition involved. No such assignment, delegation or subcontract shall result in any increase in the amount of total compensation payable to Consultant under this Agreement.

All plans, specifications, reports, studies, tracings, maps and other documents, in whatever form or medium, compiled prepared or obtained by Consultant or furnished to Consultant by the City in the course of performing the Services shall be the property of the City and the City shall have the unrestricted right to use or disseminate the same without payment or further compensation to Consultant. Disputes regarding the interpretation or application of any provisions of this Agreement shall, to the extent reasonably feasible, be resolved through good faith negotiations between the parties. In the event that the parties cannot reach agreement, parties agree to submit their dispute to non-binding arbitration prior to the commencement of any legal action or suit. The parties are free to choose a mutually agreeable arbitrator. In the event of a lack of agreement between the parties, the matter shall be submitted to the Judicial Arbitration and Mediation Services and be subject to its Commercial Arbitration Rules. Each party shall bear its own costs and fees, and share equally in the cost of the arbitration.

19. Severability
