STAFF REPORT

AGENDA ITEM NO. 3

TO: Tweedy Mile Advisory Board

FROM: Jackie Acosta, Director of Administrative Services

SUBJECT: Vote on Staggering Terms

PURPOSE: South Gate Municipal Code Section 2.64.110 states that the Tweedy Mile Advisory Board members shall be appointed for staggered, three-year terms.

RECOMMENDED ACTIONS:

1. By random drawing, determine which two members will serve a full three year term, which two members will serve a two-year term, and which member will serve a one-year term; **OR**
2. Determine the staggered terms by any other method deemed appropriate by the Board.

BACKGROUND: South Gate Municipal Code Section 2.64.110 – Membership – states “The Tweedy Mile Advisory Board shall consist of five members each of which shall be appointed by a City Council Member. The members of the Tweedy Mile Advisory Board shall be appointed for staggered, three-year terms.” As the City Council Members did not designate the terms of their appointees, it would be appropriate for the Board to set the staggering terms themselves. Staff’s initial thought is that this should be accomplished through a random drawing in which five tickets will be available for the members to pick from and two of the tickets will indicate a three-year term, two tickets will indicate a two-year term and one ticket will indicate a one-year term. Tickets can be drawn in any order the Board prefers, but staff would recommend alphabetical order.

STAFF REPORT

AGENDA ITEM NO. 4

TO: Tweedy Mile Advisory Board

FROM: Jackie Acosta, Director of Administrative Services 

SUBJECT: Creation of and responsibilities of the Tweedy Mile Advisory Board

PURPOSE: To discuss the creation of and the responsibilities of the Tweedy Mile Advisory Board.

RECOMMENDED ACTION: Review and discuss.

BACKGROUND: On November 2, 1970, the Tweedy Mile Parking and Business Improvement Area (TMPBIA) was created with the adoption of Ordinance No. 1129 (Attachment No. 1). This Ordinance is codified in Sections 2.64.010 through 2.64.090 of Chapter 2.64 (Parking and Business Improvement Area Business License), of Title 2 (Licenses - Business Regulations), of the South Gate Municipal Code (SGMC) (Attachment No. 2). The way the TMPBIA works is that the City levies an additional business license tax on businesses located within the designated TMPBIA and then annually remits those funds back to the Tweedy Mile Association (TMA). The SGMC states that the additional tax levy is equal to the general business license tax assessed as of January 1971, however, it is not to exceed \$400.00 per business (Attachment No. 3). The amount of the additional tax levy has not changed since 1971. The SGMC also states that the funds collected by the City, and remitted to the TMA, can be used for the following purposes only:

- a. Decoration of any public place in the area;
- b. Promotion of public events which are to take place on or in public places in the area;
- c. The general promotion of retail trade activities in the area.

Subsequent to the adoption of Ordinance No. 1129, on September 27, 2011, the City Council adopted Ordinance No. 2286 adding Sections 2.64.100 through 2.64.140 to Chapter 2.64 of the SGMC (Attachment No. 4), creating the Tweedy Mile Advisory Board.

The purpose of the TMAB was, "to make recommendations to the City Council on the expenditure of revenues derived from the levy assessments on proposed improvements and activities and on the method and basis of levying assessments."

Recycled Paper

The specific duties of the TMAB were set forth in Section 2.64.130 of the SGMC which states, "The duties of the Tweedy Mile Advisory Board are as follows:

1. The Tweedy Mile Advisory Board shall prepare an annual report specifying the expenses, services, activities, and programs to be funded by the assessment, in accordance of the requirements of Sections 36530 and 36533 of the California Streets and Highways Code. Upon approval of the annual report, the City Council shall follow the procedures set forth in Section 36534 of the California Streets and Highways Code for the conduct of a public hearing on the assessments for the fiscal year referred to in the annual report.
2. The Tweedy Mile Advisory Board will work together with City staff to consider new business, to evaluate whether or not proposed solutions are viable and cost-effective, and to submit from time to time recommendations to the City Council for review and approval.
3. To perform such duties and responsibilities as may be assigned by the City Council from time to time."

In October 2011, the City Council Members made appointments to the TMAB (Attachment No. 5). The TMAB then held one meeting on April 24, 2012. The agenda for that meeting is attached (Attachment No. 6). Staff cannot find record of any additional meetings after April 24, 2012.

As additional background, the City Council has reviewed the annual assessment of the TMPBIA, but has not done so annually, nor have they changed the amount of the assessment. A listing of the TMPBIA taxes collected and remitted to the TMA over the past several years is attached to this report (Attachment No. 7). The City also provides funding to the TMA through an annual allocation of CDBG (Community Development Block Grant) funds. Additionally, the City provides staff and equipment for the following events: Tweedy Mile Street Fair, Azalea Classic Car Show, Posada and Dia de los Muertos event. The TMA pays the City \$30,000 for city services provided for the Tweedy Mile Street Fair, however, city services provided for the other three events are provided at no cost to the TMA.

In order for the TMAB to carry out the duties above, specifically #1, the TMAB will need the assistance of the Tweedy Mile Association (TMA) to gather their financial records regarding the expenditure of the annual assessment. It seems that a good starting point for the TMAB may be to look at the TMA's financial records for the most recent fiscal period – whether it be fiscal year 2017/18 or calendar year 2018. That would give the TMAB some idea of how the annual assessment has been spent most recently and would help the TMAB to start working with the TMA to prepare the annual report required by Section 2.64.130. The TMAB will need to request that the TMA provide such financial records and should set a timeline for such records to be submitted to the Board.

Once the Board receives the financial records, another meeting of the TMAB can be held to review and discuss the financial records. Then the TMAB, with the assistance of the TMA, can start working to prepare the annual report described in Section 2.64.130 (1) of the SGMC. The timing of the annual report would ideally be to have the report submitted to the City Council by early mid-April so that the City Council would have time to consider the report and make a determination as to the annual assessment for FY 2019/20. As this is the first meeting of the re-established TMAB, such a timeline may not be achievable for this year.

STAFF REPORT

AGENDA ITEM NO. 5

TO: Tweedy Mile Advisory Board

FROM: Jackie Acosta, Director of Administrative Services

SUBJECT: Schedule of Upcoming Meetings

PURPOSE: To determine what the regular schedule of the Tweedy Mile Advisory Board will be and how often it will meet.

RECOMMENDED ACTION: Set the schedule for upcoming meetings.

BACKGROUND: After having some correspondence with the TMAB members, it seems that the first Monday of the month at 5:00 p.m. is a good time. If that has changed, the Board can discuss alternative meeting days/times. Also, the Board should determine if it wants to meet once a month, every other month, quarterly, or on some other schedule.
