December 22, 2023

Honorable Mayor, Members of the City Council and
Residents of the City of South Gate:

The Annual Comprehensive Financial Report (ACFR) of the City of South Gate for the Fiscal Year ended June 30, 2023, is hereby presented as mandated by both local ordinances and state statutes. These ordinances and statutes require that the City of South Gate issue annually a report on its financial position and activity, and that an independent firm of certified public accountants audit this report. Responsibility for both the accuracy of the data, and the completeness and fairness of the presentation, including all disclosures, rests with the City. To the best of our knowledge and belief, the enclosed data is accurate in all material respects and is reported in a manner that presents fairly the financial position and results of operations of the various funds and component units of the City of South Gate. To the best of our knowledge and belief, there are no misstatements of material fact within the financial statements or omissions of material fact which would cause the financial statements to be misleading. All disclosures necessary to enable the reader to gain an understanding of the City's financial activities have been included.

The financial section of the ACFR includes Management's Discussion and Analysis (MD&A) of the financial activity. This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The City's MD&A can be found immediately following the report of the independent auditors in the financial section of the ACFR.

The financial reporting entity (the government) includes all the funds of the primary government (i.e., the City of South Gate, as legally defined), as well as its component units, the South Gate Utility Authority, the South Gate Housing Authority, and the South Gate Public Financing Authority. A component unit is a legally separate entity for which the primary government is financially accountable.

PROFILE OF THE CITY OF SOUTH GATE

The City of South Gate, incorporated on January 20, 1923, under the general laws of the State of California. South Gate encompasses 7.4 square miles and is in the heart of the Los Angeles Metropolitan area. The city is characterized by a high-density, working-class community with a population of 97,003 according to the State of California Department of Finance. Services provided by the City include administration, police, public works, planning, building & safety, and parks & recreation. The City of South Gate provides a full range of services for the citizens delivered by the City's own employees. The City has its own Police Department but contracts for fire services through the Los Angeles County Fire Department (LACFD), and contracts with other governmental entities or private companies for library and refuse collection.

Centrally located, South Gate is an ideal location for commerce within a 15-mile radius of downtown Los Angeles, Los Angeles International Airport, and the Ports of Los Angeles and Long Beach. The city is linked to these sites by several major transportation thoroughfares, including the I-710 (Long Beach) and I-105 (Century) freeways, Firestone and Alameda Boulevards, and an extensive rail system with services provided by the Union Pacific and Southern Pacific Railroads. With a diverse mix of residential, commercial, and industrial areas, the City has promoted itself as an area rich in economic opportunities and continues to have many projects slated for development that will play a significant role in revitalizing the community.

The City has operated under the council-manager form of government since incorporation. Policy-making and legislative authority are vested in the governing City Council, which consists of five Council Members, including the Mayor and Vice-Mayor. The City Council is responsible for, among other things, passing ordinances, adopting the budget, appointing committees, and hiring the City Manager and the City Attorney. The City Council is elected on a non-partisan, at-large basis. Council Members are elected to four-year staggered terms with two or three Council Members elected every two years. Each year, the City Council selects the Mayor and Vice Mayor for a one-year term. The City Manager is responsible for carrying out the policies and ordinances of the City Council, for overseeing the day-to-day operations of the City, and for appointing the heads of the City's departments.

FINANCIAL INFORMATION

Internal Control

The Administrative Services department of the City is responsible for establishing and maintaining an appropriate internal control structure. The internal control system is designed to ensure that the assets of the City are protected from loss, theft, or misuse and to ensure that adequate accounting data is compiled to allow for the preparation of financial statements in conformity with Generally Accepted Accounting Principles. The internal control structure is designed to provide reasonable, but not absolute, assurance that these objectives are met. The concept of reasonable assurance recognizes that: (1) the cost of a control should not exceed the benefits likely to be derived; and (2) the valuation of costs and benefits requires estimates and judgments by management.

Budgetary Controls

The City of South Gate maintains budgetary controls. The objective of these budgetary controls is to ensure compliance with legal provisions contained in the annual appropriated budgets approved by the City Council. The activities of the General Fund, Special Revenue funds, Capital Projects funds, Debt Service funds and the Proprietary funds are included in the annual appropriated budgets of the government units. The level of budgetary control (that is, the level at which expenditures cannot legally exceed the appropriated amount at the department level, which is the legal level of control) is established at the department level within each fund. Formal budgetary integration is employed as a management control device. The City also maintains an encumbrance accounting system as one method of maintaining budgetary control.

Budget to Actual Comparison

For the fiscal year ended June 30, 2023, the City experienced a \$400K favorable budget variance in general fund revenues and a favorable \$4.4M budget variance in general fund operating expenditures resulting in a \$4.8M net positive budgetary variance. While the City experienced a favorable budget variance for FY 22/23, the general fund balance decreased from 39.4M to 37.5M for the fiscal year ended June 30, 2023. This net decrease of \$1.9M was a result of staffing unfilled positions. Many of the favorable revenue and expenditure variances were the result of conservative budget practices and continued careful management of resources during FY 2022/23.

Significant Financial Events

The Governmental Accounting Standards Board (GASB) is a private, non-governmental organization that creates accounting reporting standards, or generally accepted accounting principles (GAAP), for state and local governments. Changes in accounting policies issued by the Board, known as GASB Statements, will impact how the City reports and compiles its financial report. During the fiscal year ended June 30, 2023, the City implemented the following new GASB Pronouncement.

GASB Statement No. 96 -Subscription-based information technology arrangements (SBITAs)

The requirements of this Statement will improve financial reporting by establishing a definition for SBITAs and providing uniform guidance for accounting and financial reporting for transactions that meet that definition. That definition and uniform guidance will result in greater consistency in practice. Establishing the capitalization criteria for implementation costs also will reduce diversity and improve comparability in financial reporting by governments. This Statement also will enhance the relevance and reliability of the City's financial statements by requiring the City to report a subscription asset and subscription liability for a SBITA and to disclose essential information about the arrangement. The disclosures will allow users to understand the scale and important aspects of the SBITA activities and evaluate those obligations and assets resulting from SBITAs. The new guidance is effective for fiscal years beginning after June 30, 2023.

OTHER INFORMATION

Independent Audit

The City requires an annual audit by independent certified public accountants. The accounting firm Davis Farr LLP conducted this year's audit. The auditors' report on the government-wide financial statements and the combining and individual fund statements and schedules is included in the financial section of this report.

Single Audit

As a recipient of federal, state and county financial assistance, the City is responsible for ensuring that an adequate internal control structure is in place to ensure compliance with applicable laws

and regulations related to those programs. This internal control structure is subject to periodic evaluation by management. Beginning with the single audit of fiscal years beginning on or after January 1, 2015, the U. S. Office of Management and Budget (OMB) raised the single audit threshold for federal awards from \$500,000 to \$750,000. When over \$750,000 from Federal financial assistance programs is expended in any one fiscal year, the City is required to undergo a single audit in conformity with the provisions of the Single Audit Act Amendments of 1996 and Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). For the year ended June 30, 2023, approximately \$13.8M in Federal financial assistance program funds were expended.

GFOA Certificate of Achievement Award

The Government Finance Officers Association of the United States and Canada (GFOA) oversees a prestigious national award program to recognize conformance with the highest standards of report preparation. To be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized Annual Comprehensive Financial Report (ACFR). This report must satisfy both Generally Accepted Accounting Principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only.

The City of South Gate strives to achieve this prestigious award each year. The City of South Gate submitted its ACFR for the fiscal year ended June 30, 2022 for the GFOA award of Certificate of Achievement for Excellence in Financial Reporting. The award is still being reviewed by the GFOA. We also believe our June 30, 2023, ACFR continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

ACKNOWLEDGEMENTS

The preparation of this report could not have been accomplished without the hard work and dedicated service of the Finance Division staff. We would like to express our appreciation to all members of the Finance Division and to Davis Farr LLP, the City's independent auditors, for their expertise, guidance, assistance, and professionalism in preparing this year's report. Finally, we would like to express our sincere thanks to the City Council, whose strong and effective leadership and continuous support has made the preparation of this report possible.

Respectfully submitted,

Rob Houston

INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and
Members of the City Council
of the City of South Gate
South Gate, California

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of South Gate (the City), as of and for the year June 30, 2023, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities, the business type activities, each major fund, and the aggregate remaining fund information of the City, as of June 30, 2023, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matters

During the year ended June 30, 2023, the City implemented Governmental Accounting Standards Board (GASB) Statement No. 96: Subscription-Based Information Technology Arrangements. Additionally, the financial statements for the fiscal year ended June 30, 2023 reflect certain prior period adjustments as described further in note 17 to the financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

The City's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the *management's discussion and analysis*, the *pension and OPEB schedules*, and the *budgetary comparison schedules* identified as Required Supplementary Information (RSI) in the accompanying table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The *combining and individual nonmajor fund financial statements and schedules* are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The *combining and individual nonmajor fund financial statements and schedules* are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the *combining and individual nonmajor fund financial statements and schedules* are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the Annual Comprehensive Financial Report. The other information comprises the *introductory section* and *statistical section* but does not include the financial statements and our auditor's report thereon. Our opinions on the financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 22, 2023 on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

Irvine, California
December 22, 2023

City of South Gate
Management's Discussion and Analysis (Unaudited)
Year Ended June 30, 2023

The following discussion and analysis of the financial performance of the City of South Gate provides an overview of the City's financial activities for the fiscal year ended June 30, 2023. It should be read in conjunction with the financial statements identified in the accompanying table of contents.

Financial Highlights

Government-wide Financial Statements

- **Net Position:** The total assets and deferred outflows of the City of South Gate exceeded total liabilities and deferred inflows at the close of the fiscal year ended June 30, 2023, by \$292.1M. This amount is referred to as the net position of the City. Of this amount, \$272.4M is invested in capital assets, \$61.8M is restricted for public works, housing activities, community development projects, public safety and debt service, and \$42.1M is an unrestricted deficit amount.
- **Changes in Net Position:** The City's net position increased by \$24.0M year over year (from \$268.1M prior fiscal year ending balance to \$292.1M balance as June 30, 2023). Governmental Activities increased by \$23.5M while Business-type activities increased by \$0.5M in net position.
- **Long-Term Debt:** The City's total long-term liabilities increased from \$149.3M to \$193.6M year over year as of June 30, 2023, a net increase of \$44.3M. The net increase was mainly from increases of \$50.9M in pension liability and \$0.8M in compensated absences.
- **Capital Assets:** The City's capital assets totaled \$298.1M on June 30, 2023, a net increase of \$8.3M over the prior year balance of \$289.8M. \$9.8 million represents a net increase to the governmental activities while \$1.6 million was a net decrease to the business-type activities.

Fund Financial Statements

- **Governmental Funds:** As of June 30, 2023, the City's governmental funds reported a combined ending fund balance of \$78.8M, a decrease of \$4.7M (5.6%) over the prior year's restated balance.
- **General Fund:** As of June 30, 2023, expenditures and transfers-out exceeded revenues and transfers-in by \$1.9M, decreasing the fund balance from \$39.4M to \$37.5M. Of the \$37.5M fund balance, \$9.4M is unassigned and is available for future appropriations at the City's discretion.

Using the Accompanying Financial Statements

This annual report consists of a series of financial statements. The Statement of Net Position and the Statement of Activities provide information about the activities of the City of South Gate as a whole and present a longer-term view of the City's finances. Also included in the accompanying reports are fund financial statements. For governmental activities, the fund financial statements tell how these services were financed in the short term as well as what remains for future spending. Fund financial statements also report the City's operations in more detail than the government-wide statements by providing information about the City's most significant funds. The remaining statements provide financial information about activities for which the City acts solely as a trustee or agent for the benefit of others outside of the government.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the City's basic financial statements, which are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This Annual Comprehensive Financial Report also contains other supplementary information in addition to the basic financial statements.

City of South Gate
Management's Discussion and Analysis (Unaudited)
Year Ended June 30, 2023

Government-wide financial statements: The *government-wide financial statements* are designed to provide readers with a broad overview of the City of South Gate's finances, in a manner similar to a private-sector business. The *statement of net position* presents information on all of the City of South Gate's assets (including deferred outflows of resources) and liabilities (including deferred inflows of resources), with the difference between them reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City of South Gate is improving or deteriorating.

The *statement of activities* presents information on how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g. uncollected taxes and earned but unused vacation leave).

Both statements include not only the City of South Gate itself (known as the *primary government*) but also the South Gate Utility Authority, the South Gate Housing Authority and the South Gate Public Financing Authority, for which the City of South Gate is financially accountable. Financial information on these *component units* is reported separately from the financial information presented for the primary government itself.

After the dissolution of the South Gate Community Development Commission (Redevelopment Agency), the City of South Gate elected to become the Successor Agency for the former Community Development Commission and the remaining assets and activities of the dissolved redevelopment agency were reported in a fiduciary fund (private-purpose trust fund) in the financial statements of the City.

Fund financial statements: A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of South Gate, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City of South Gate can be divided into three categories: governmental funds, proprietary funds and fiduciary funds.

- **Governmental funds.** Most of the City's basic services are reported in governmental funds, which focus on how money flows in and out of those funds and the balances left at year end that are available for spending. These funds are reported using the *modified accrual* basis of accounting, which measures cash and all other *current* financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of the City's general government operations and the basic services it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the City's programs. The relationship or differences between *governmental activities* (reported in the Statement of Net Position and the Statement of Activities) and *governmental funds* are described in the reconciliation at the bottom of the fund financial statements.
- **Proprietary funds.** When the City charges customers for the services it provides – whether to outside customers or to other units of the City – these services are generally reported in proprietary funds. Proprietary funds are reported in the same way that all activities are reported in the Statement of Net Position and the Statement of Activities. In fact, the City's enterprise funds (a component of proprietary funds) are the same as the business-type activities reported in the government-wide statements but provide more detail and additional information, such as cash flows, for proprietary funds. Internal service funds (the other component of proprietary funds) are used to report activities that provide supplies and services for the City's other programs and activities.
- **Fiduciary funds.** The City of South Gate is an agent for certain assets held for, and under the control of, other organizations and individuals. All of the City's fiduciary activities are reported in a separate Statement of Fiduciary Assets. These activities are excluded from the other financial statements because the City cannot use these assets to finance its operations. The City is responsible for ensuring that the assets reported in these funds are used for their intended purposes.

City of South Gate
Management's Discussion and Analysis (Unaudited)
Year Ended June 30, 2023

Notes to the basic financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on page 42 immediately following the basic financial statements.

Other information. In addition to the basic financial statements and accompanying notes, this Annual Comprehensive Financial Report also presents certain *required supplementary information*, providing budgetary comparison schedules for budgeted versus actual revenues and expenditures of the City's major funds.

The combining statements referred to earlier in connection with the non-major governmental funds and internal service funds are presented immediately following the required supplementary information on budget comparisons.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. For City of South Gate, assets and deferred outflows of resources exceed liabilities and deferred inflows of resources by \$292.1M on June 30, 2023, as shown in Table 1.

The largest portion of the City's net position reflects its investment in capital assets (e.g., land, buildings, machinery, and equipment) of \$272.4M, less any related debt used to acquire those assets that are still outstanding. The City of South Gate uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. Another portion of the City's net position, \$61.8M, represents

City of South Gate
Management's Discussion and Analysis (Unaudited)

Governmental Activities. See Table 2. The City's net position in its governmental activities increased by \$23.4M as of June 30, 2023. Program revenues decreased by \$5.4M in FY 22-23 mainly from fewer capital grants received during the year. General revenues increased \$9.7M compared to the prior year. Property tax increased by about \$1.1M, sales tax increased by \$1.3M while investment income increased by approximately \$1.5M due to market valuation gains. Program expenses increased by \$300K from \$82.0M in FY 2022 to \$82.3M in FY 2023, primarily from general government and parks & recreation.

City of South Gate
Management's Discussion and Analysis (Unaudited)
Year Ended June 30, 2023

The City of South Gate relies heavily on federal, state, and local grant funds (35%) as a major funding source for capital projects and eligible operating costs. After grants, sales tax (28%), property taxes (16%) and charges for services (10%) remain the most significant sources of the Governmental Activities revenue stream.

Revenues by Source – Governmental Activities

The cost of all governmental activities this year was \$82.4M compared to \$82.0M in the prior year. Governmental activities generated sufficient revenues to pay these costs with \$10.3M paid for by those who directly benefited from programs provided, \$36.9M being subsidized by grants received from other governmental organizations for both capital and operating activities, and \$56.4M coming from general taxes and other revenues.

City of South Gate
Management's Discussion and Analysis (Unaudited)
Year Ended June 30, 2023

Expenses and Program Revenues – Governmental Activities

The City's largest expense is its Police Department, where operations totaled \$23.4M in FY 2022-23. Public Works followed with \$20.2M of expenses, which included expenses related to several large capital improvement projects. General Government was the third largest in expenses, at \$15.4M, which included ARPA funds.

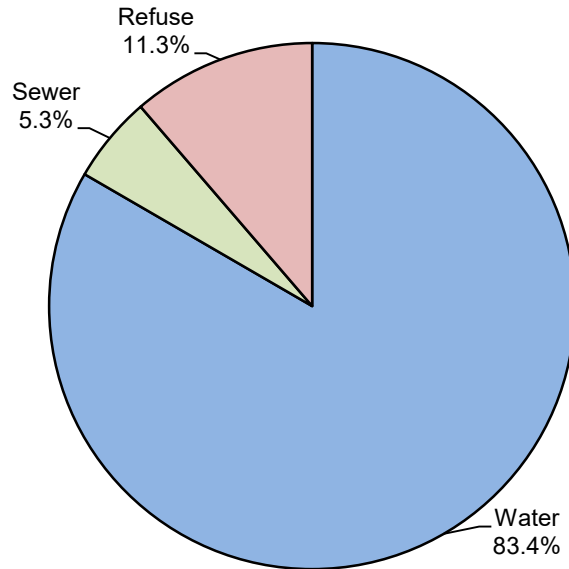

City of South Gate
Management’s Discussion and Analysis (Unaudited)
Year Ended June 30, 2023

Business-Type Activities. As of June 30, 2023, the financial condition of the City’s business-type activities was a positive net position of \$61.6M, a \$0.5M increase from \$61.1M beginning net position. The increase in net position is mainly attributed to a decrease of \$1.75M in refuse expenditures.

The City’s business-type activities consisted of the water, sewer and refuse utilities. The combined cost of providing all business-type activities this year was \$19.8M. The revenue paid by users of these utilities was \$21.1M of which 83.4% comes from water fees, 11.3% from refuse fees and 5.3% from sewer fees. When capital improvements are made, the costs are capitalized and no expenses are incurred given that current assets have been converted to long-term capital assets.

The water utility user rates are set to generate some excess of revenues over expenses in an effort to maintain a reasonable reserve for capital improvements and debt service requirements. A sewer rate study is underway to ensure that the sewer utility is similarly sustained financially to cover its operating and capital requirement costs. The city contracts out the refuse collection and disposal, and the user rates are set to cover the contractual costs and related administration costs.

Financial Analysis of the City’s Funds

As noted earlier, the City of South Gate uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds: The focus of the City’s governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City of South Gate’s financing requirements. Spendable fund balance may serve as a useful measure of a government’s net resources at the end of the fiscal year.

As of June 30, 2023, the City’s governmental funds reported ending fund balances of \$78.8M, a decrease of \$4.7M from the prior year. Of that amount, \$2.3M is *nonspendable* fund balance. Of the remaining \$76.5M *spendable* fund balance, \$49.1M is *restricted* because it is subject to external enforceable legal obligations, \$23.9M is *committed* for such things as an emergency reserve, the employment resource center, a budget stabilization fund, and an OPEB Section 115 trust, and \$6.3M has been *assigned* by management for specific purposes such as capital projects.

The General Fund is the chief operating fund of the City of South Gate. As of June 30, 2023, the total general fund balance was \$37.5M, a decrease of \$1.9M from the prior year. The unassigned fund balance totaled \$9.4M, a decrease of \$15.0M from the prior year.

City of South Gate
Management's Discussion and Analysis (Unaudited)
Year Ended June 30, 2023

For FY 2022/23 General Fund revenues increased by \$5.5M (9.5%) over the prior year from \$57.7M to \$63.2M, operating expenditures increased by \$8.1M from \$55.6M to \$63.7M. In summary, General Fund expenditures exceeded revenues by approximately \$500K for the fiscal year ended June 30, 2023.

The Grants Special Revenue Fund is used to account for all Federal, State, and local grants not specified in other funds. As of June 30, 2022, the Grants Special Revenue fund balance had a deficit of \$11.5M. This is based on \$12.7M in unavailable revenue that has been earned but is not available. This is due to recognizing grant receipts for expenses incurred that don't meet the reporting period's availability criteria.

In March 2021, congress passed the \$1.9 trillion American Rescue Plan Act of 2021 (ARPA). The city's allocable share amounted to \$34.5M. The initial disbursement of \$17.25M was received by the City in June 2021. The second payment of \$17.25M was received in July 2022. The ARPA monies can be used to recover revenue loss due to the Pandemic, fund infrastructure projects including water, sewer and broadband and respond to public health emergency due to COVID-19 Pandemic including assistance to households, small business, and nonprofits organizations. For FY 2022/23, the City had \$3.9M in expenditures funded by ARPA.

The Capital Improvement Projects Fund accounts for most of the capital improvement activity in the City, such as buildings and street infrastructure. Capital expenditures are charged directly to this fund and reimbursed with transfers from other funds as monies are received from the various funding sources, primarily grants. As of June 30, 2023, the total fund balance was \$4.7M, of which \$3.5M is designated for the Courthouse Rehabilitation project, which the City envisions repurposing the building for future city uses.

The other non-major governmental funds include several special revenue funds used exclusively to account for intergovernmental and assessment proceeds which are restricted by law as to their use. This group of funds includes the Community Development Block Grant, HOME Program, Housing Successor, Gas Tax, Asset Forfeiture, Prop A and C Local Returns, Measure R, Measure M, Street Lighting & Landscaping, and various other grant funds.

Proprietary Funds: The City's proprietary funds consist of the Water, Sewer, and Refuse Funds, which are the business-type activities that account for the operation of those utilities. Also included are the internal service funds, which provide for supporting governmental activities including insurance activities, information systems, fleet management, capital asset & equipment replacement, and building & infrastructure maintenance.

In business-type activities, the Water and Sewer Funds are considered major funds. The Refuse Fund is considered non-major. At the fiscal year end, the combined net position of these funds totaled \$61.6M, an increase of \$500K (0.8%) from the beginning fund balance of \$61.1M. Additionally, resources used for the construction of capital facilities do not result in expenses because the assets are capitalized.

The internal service funds include Insurance Fund, Information Systems Fund, Fleet Management Fund, Capital Asset & Equipment Replacement Fund and Building Maintenance Fund. The internal services funds account for goods and services provided by one City department to other City departments. The net position decreased by \$1.0M from \$3.3M beginning fund balance to \$4.3M as of June 30, 2023, largely because of delays in replacing vehicles and equipment due to supply chain issues and decrease in net pension liability.

City of South Gate
Management's Discussion and Analysis (Unaudited)
Year Ended June 30, 2023

General Fund Budgetary Highlights

For FY 2022/23, the final adopted General Fund revenue budget was \$61.8M. The actual revenues came in \$400K (0.6%) higher than projected at \$63.2M, and mostly because of increases in tax revenues. Overall, property tax increased \$296K, sales tax increased \$1.3M and other taxes increased \$123K. Charges for Services were up by \$954K, mainly due to the reopening of recreational activities, and Licenses and Permits were down by \$59K. Use of money and property was up \$758K as of June 30, 2023. Total actual expenditures came in at \$63.7M, which is \$4.4M (6.9%) lower than the final projected expenditure budget of \$68.1M. The main factor for the decrease in expenditures was largely due to staff vacancies resulting in \$3.0M in savings.

Capital Asset and Debt Administration

Capital Assets: The capital assets of the City are assets used in the performance of City functions including infrastructure assets. Capital Assets include equipment, buildings, land, park facilities and roads. As of June 30, 2023, the City's net investment in capital assets for governmental activities totaled \$249.7M and net investment in capital assets for business-type activities totaled \$48.4M. Governmental capital assets had a net increase of \$8.9M mainly due to \$14.4M for construction in progress, less \$9.3M in accumulated depreciation. Business-type capital assets decreased by \$1.6M with additions to construction in progress of \$0.6M reduced by accumulated depreciation of \$2.6M.

Long-Term Liabilities. At the end of the fiscal year, the City of South Gate had total long-term liabilities of \$193.6M, an increase of approximately \$44.3M over the prior year's balance. The net change is a combination of increases of \$0.9M in claims and judgements liability, \$50.9M of actuarially determined pension liability, \$0.8M in compensated absences liability, with decreases of \$5.1M in other post-employment benefits and \$3.7M in the paydown of the City's outstanding revenue bond, pension obligation bonds and other financing agreements.

Economic Factors and Next Year's Budget

Over the past year, the local economy has experienced a slow recovery from the impacts of the COVID-19 pandemic. Despite rising inflation and the overall economic impact the City has continued to effectively service and support our residents and businesses. In considering the Fiscal Year 2023/24:

- Property tax revenue for FY 2023/24 is projected to increase by 870K or 5% to \$17M, reflecting an incremental improvement in property values as assessed in calendar year 2022. South Gate's housing market has remained fairly stable due to its urban location. This is the City's second largest source of revenue, which is comprised of 84% residential and 16% industrial and commercial properties.
- Sales Tax revenue is the City's primary source of operating revenue and is projected to show a flattening of sales tax revenues in FY 2023/24. This represents a slight decrease of 547K or 2% to 28.1M.
- In addition, a large part of the overall operating budget comes from the City's share of pension costs. South Gate is one of many cities facing significant increases in retiree pension and health care costs. Future salary increases and increased CalPERS pension costs are expected to place a strain on the budget over the next few years.
- The FY 2023/24 citywide adopted operating and capital improvement budget totaled approximately \$157M. This includes all city funds, including General fund and Other Governmental funds, Water fund, Sewer fund, Housing Authority fund, Successor Agency fund Grants and Other Subventions, Special Assessment District funds, and Capital Improvement Project funds.
- Overall, the General Fund revenues are projected at 65.2M and present a net increase of 0.4% from the prior year's estimates.

While there have been steady improvements across all areas of the community, there is still more work to be done to ensure the City remains on solid financial ground in the years to come.

City of South Gate
Reconciliation of the Governmental Funds Balance Sheet
to the Government-Wide Statement of Net Position
June 30, 2023

Total Fund Balances - Total Governmental Funds	\$ 78,793,202
Amounts reported for governmental activities in the Statement of Net Position were different because:	
Capital assets used in governmental activities were not financial resources and therefore were not reported in governmental funds.	
Government-Wide Financial Statements	249,739,097
Less: capital assets reported in Internal Service Funds	<u>(3,401,947)</u>
Total capital assets adjustment	<u>246,337,150</u>
Long-term debt are not due and payable in the current period and, therefore, are not reported in the governmental fund activity:	
Pension Obligation Bonds	(8,615,000)
Notes payable	(184,820)
Leases payable	(156,116)
Subscription payable	(305,947)
Compensated absences, net of \$(117,266) reported in Internal Service Funds	<u>(5,624,311)</u>
Total long-term debt adjustment	<u>(14,886,194)</u>
Accrued interest payable for the current portion of interest due on Bonds has not been reported in the governmental funds.	(38,696)
Governmental funds report all pension contributions as expenditures; however, in the statement of net position, the excess of the total pension liability over the plan fiduciary net position is reported as a net pension liability:	
Deferred outflows of resources related to pensions, net of \$802,468 reported in Internal Service Funds	42,057,939
Aggregate net pension liabilities, net of \$(2,096,005) reported in Internal Service Funds.	(103,684,859)
Deferred inflows of resources related to pensions, net of \$(867,124) reported in Internal Service Funds	(6,557,216)
Governmental funds report all OPEB contributions as expenditures; however, in the statement of net position, total OPEB liability is reported as a total OPEB liability:	
Deferred outflows of resources related to OPEB, net of \$184,703 reported in Internal Service Funds.	4,673,387
Other postemployment benefits liabilities, net of \$(867,127) reported in Internal Service Funds.	(21,940,150)
Deferred inflows of resources related to OPEB, net of \$(415,086) reported in Internal Service Funds.	(10,502,592)
Revenues reported as unavailable revenue in the governmental funds and recognized in the statement of activities. These are included in the intergovernmental revenues in the governmental	12,910,869
Internal service funds were used by management to charge the costs of certain activities to individual funds. The assets and liabilities of the internal service funds were included in governmental activities in the Government-Wide Statement of Net Position.	<u>3,262,551</u>
Net Position of Governmental Activities	<u><u>\$ 230,425,391</u></u>

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(1) Summary of Significant Accounting Policies

The basic financial statements of the City have been prepared in conformity with Generally Accepted Accounting Principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the Authority's accounting policies are described below.

A. Description of the Reporting Entity

The City of South Gate (the "City") was incorporated January 20, 1923, under the general laws of the state of California and enjoys all the rights and privileges pertaining to such "General Law" cities. The City is a municipal corporation governed by an elected five-member council.

As required by generally accepted accounting principles, these basic financial statements present the City and its component units, entities for which the City is considered to be financially accountable. The following blended component units, although legally separate entities are, in substance, part of the City's operations and data from these units are combined with the data of the City. They are reported as blended for the following reasons: (1) the governing board is substantively the same as the primary government and there is a financial benefit or burden relationship between the primary government and the component unit; (2) the component unit provides services entirely, or almost entirely, to the primary government or otherwise exclusively, or almost exclusively, benefits the primary government even though it does not provide services directly to it; and (3) the component unit's total debt outstanding, including leases, is expected to be repaid entirely or almost entirely with the resources of the primary government. A brief description of each component unit is discussed below.

Blended Component Units

Blended component units, although legally separate entities, are, in substance part of the government's operation and so data from these units are combined with data of the primary government. Discretely presents component units, on the other hand, are reported in a separate column in the combined financial statements to emphasize that they are legally separate from the government.

The City Council acts as the governing body and is able to impose its will on the following organizations and establishing financial accountability. The City is considered to be financially accountable for an organization if the City appoints a voting majority of that organization's governing body and the City is either able to impose its will on that organization, or there is a potential for that organization to provide specific financial benefits to or impose specific financial burdens on the City. The City is also considered to be financially accountable if an organization is fiscally dependent upon the City (i.e., it is unable to adopt its budget, levy taxes, set rates or charges, or issue bonded debt without approval from the City). As a result, these organizations are considered component units of the City and are included within the financial statements of the City using the blended method. All component units have a June 30 year-end.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(1) Summary of Significant Accounting Policies (Continued)

The South Gate Utility Authority ("Utility Authority") is a joint powers authority that was established by the City and Authority on August 28, 2001. The Utility Authority is governed by a board of five members comprised of the same individuals who comprise the City Council of the City. The Utility Authority was created for the purpose of providing financing for public capital improvements for the City. Separate financial statements are not prepared for the Utility Authority.

The Housing Authority of the City of South Gate ("Housing Authority") was established on September 23, 1974, pursuant to the State of California Health and Safety Code 34200 entitled, "Housing Authorities Law." The Housing Authority is governed by a board of five members comprised of the same individuals who comprise the City Council of the City. The purpose of the Housing Authority of the City of South Gate is to provide safe and sanitary dwelling accommodations in the City to persons of low income. Separate financial statements are not prepared for the Housing Authority.

The South Gate Public Financing Authority ("Financing Authority") was formed on September 11, 1989. The purpose of the South Gate Public Financing Authority is to issue debt to finance public improvements and other capital purchases for the City. The Public Financing Authority is governed by a board of five members comprised of the same individuals who comprise the City Council of the City. Separate financial statements are not available for the Financing Authority.

The following specific criteria were used in determining the status of these component units:

- Members of the City Council also act as the governing body of the Utility Authority, the Housing Authority, and the Financing Authority.
- The City, the Utility Authority, the Housing Authority, and the Financing Authority are financially interdependent.
- The Utility Authority, the Housing Authority, and the Financing Authority are managed by employees of the City, who provide various support functions including financial reporting and investment decisions.

B. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The City's basic financial statements are prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The Government Accounting Standards Board is the acknowledged standard-setting body for establishing accounting and financial reporting standards followed by governmental entities in the United States of America.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(1) Summary of Significant Accounting Policies (Continued)

Government-Wide Financial Statements

The Statement of Net Position and the Statement of Activities display information about the primary government. These statements include the financial activities of the overall City government, except for fiduciary activities.

Eliminations have been made to minimize the double counting of internal service fund and similar activities. The effect of inter-fund services provided and used between functions is not eliminated in the process of consolidation. These statements distinguish between the governmental and business-type activities of the City. Governmental activities generally are financed through taxes, intergovernmental revenues, and other no exchange transactions. Business-type activities are financed in whole or in part by fees charged to external parties.

The government-wide financial statements are reported using the “economic resources” measurement focus and the accrual basis of accounting. Accordingly, all of the City’s assets and liabilities, including capital assets (as well as infrastructure assets) and long-term liabilities, are included in the accompanying Statement of Net Position. The Statement of Activities presents a comparison between direct expenses and program revenues for each segment of the business-type activities of the City and for each function of the City’s governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Program revenues include (a) charges paid by the recipients of goods or services offered by the programs, (b) grants and contributions that are restricted to meeting the operational needs of a particular program and (c) fees, grants and contributions that are restricted to financing the acquisition or construction of capital assets. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues. Certain indirect costs are included in program expenses reported for individual functions and activities.

Fund Financial Statements

Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements.

Governmental Fund Financial Statements

Governmental fund financial statements are reported using the “current financial resources” measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period, with the exception of grants, for which the revenue recognition period is 120 days. Expenditures generally are recorded when a liability is incurred, as under accrual

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(1) Summary of Significant Accounting Policies (Continued)

accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Sales taxes, property taxes, franchise taxes, gas taxes, motor vehicle in lieu, transient occupancy taxes, grants and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when cash is received by the government.

The City reports the following major governmental funds:

- General Fund – The General Fund accounts for resources traditionally associated with government which are not legally required or by sound financial management to be accounted for in another fund.
- American Rescue Plan Act Special Revenue Fund - This fund is account for expenditures related to the funds received through this source by the U.S Treasury. These funds must be used for specific purposes outlined in the Act and promulgated by regulations issued by the U.S Treasury. Funds must be spent by December 31, 2024 or legally obligated. In no case shall be funds be allow to be expended beyond December 31, 2026. All revenue and expenditure elements caused or impacted by the Coronavirus Disease 2019 (COVID-19) pandemic since January 2020 through December 2024 are generally covered by the ARPA.
- Grants Special Revenue Fund - This fund is used to account for all Federal, State, and local grants not specified in other funds.
- Capital Improvement Projects Fund – This fund accounts for various capital projects from resources committed by the City Council.

Proprietary Fund Financial Statements

Proprietary fund financial statements include a Statement of Net Position, a Statement of Revenues, Expenses and Changes in Net Position, and a Statement of Cash Flows for each proprietary fund.

A separate column representing internal service funds is also presented in these statements. However, internal service balances and activities have been combined with the governmental activities in the Government-Wide Financial Statements. These funds have been established to finance and account for goods and services provided by one City department to other City departments or agencies. These areas of service include Insurance, Information Systems, Fleet Management, Capital Asset & Equipment Replacement, and Building & Infrastructure Maintenance.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(1) Summary of Significant Accounting Policies (Continued)

Proprietary funds are accounted for using the "economic resources" measurement focus and the accrual basis of accounting. Accordingly, all assets and liabilities (whether current or noncurrent) are included on the Statement of Net Position. The Statement of Revenues, Expenses, and Changes in Net Position present increases (revenues) and decreases (expenses) in total net position. Under the accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred. In these funds, receivables have been recorded as revenue and provisions have been made for uncollectible amounts.

Proprietary fund operating revenues and expenses, such as charges for services, and payments to employees and vendors, result from exchange transactions associated with the principal activity of the fund. Exchange transactions are those in which each party receives and gives up essentially equal values. Non-operating revenues and expenses, such as subsidies, investment earnings, changes in fair value of investments and interest charges result from non-exchange transactions or ancillary activities.

The concept of major funds extends to Proprietary Funds. The City has identified the funds below as major proprietary funds. Individual non-major funds may be found in the supplemental section.

- Utility Authority - Water Fund – This fund accounts for the operations of the City's water utility. All activities necessary to provide this service are accounted for in this fund including administration, operations, maintenance, capital improvements, billing, collection and depreciation.
- Utility Authority - Sewer Fund – This fund accounts for the provision of sewer maintenance services to the residents of the City. All activities necessary to provide this service are accounted for in this fund including, but not limited to, operations, maintenance, capital improvements and depreciation.

Fiduciary Fund Financial Statements

Fiduciary fund financial statements include a Statement of Net Position and a Statement of Changes in Fiduciary Net Position. The City's fiduciary funds represent custodial funds and private purpose trust funds. Both custodial funds and the private purpose trust funds are accounted for on the full accrual basis of accounting.

The City also reports the following fiduciary funds:

- Custodial Funds – These funds account for resources held by the City in custodian capacity. Cash and deposits are maintained for activities associated with various associations and third-party projects. The City is responsible for ensuring that the assets reported in these funds are used for their intended purposes.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(1) Summary of Significant Accounting Policies (Continued)

- Private-purpose Trust Fund – This fund accounts for the assets and liabilities of the former Community Development Commission and the allocated revenue to pay estimated installment payments of enforceable obligations until the obligations of the former redevelopment agency are paid in full and assets have been liquidated.

C. Cash Investments and Cash Equivalents

In order to maximize investment return, the City pools its available cash for investment purposes. The City's cash management pool is used essentially as a demand deposit account by the various funds. The City has defined, for purposes of the preparation of its statements of cash flows, cash and cash equivalents as demand deposits plus all investments maintained in its cash management pool, regardless of maturity period.

Investments are reported in the accompanying balance sheet at fair value, except for certain certificates of deposit and investment contracts that are reported at cost. Changes in fair value that occur during a fiscal year are recognized as investment income reported for that fiscal year. Investment income includes interest earnings, changes in fair value, and any gains or losses realized upon the liquidation, maturity, or sale of investments.

The City pools cash and investments of all funds, except for assets held by fiscal agents. Each fund's share in this pool is displayed in the accompanying financial statements as cash and investments. Investment income earned by the pooled investments is allocated to the various funds based on each fund's average cash and investment balance, except investment income for the Internal Service Funds and the Capital Improvement Fund which is allocated to the General Fund.

Following areas of certain disclosure requirements, if applicable, for Deposits and Investment Risks are presented in the footnotes:

- Interest Rate Risk
- Credit Risk
- Overall
- Custodial Credit Risk
- Concentration of Credit Risk
- Foreign Currency Risk

In addition, other disclosures are specified including use of certain methods to present deposits and investments, highly sensitive investments, credit quality at year-end and other disclosures.

D. Fair Value Measurement

U.S. GAAP defines fair value, establishes a framework for measuring fair value and establishes disclosure about fair value measurement. Investments, unless otherwise specified, recorded at fair value in the financial statements, are categorized based upon the level of judgment associated with the inputs used to measure their fair value.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(1) Summary of Significant Accounting Policies (Continued)

The three levels of the fair value measurement hierarchy are described below:

- Level 1 – Inputs are unadjusted, quoted prices for identical assets and liabilities in active markets at the measurement date.
- Level 2 – Inputs, other than quoted prices included in Level 1, that are observable for the assets and liabilities through corroboration with market data at the measurement date.
- Level 3 – Unobservable inputs that reflect management’s best estimate of what market participants would use in pricing the assets and liabilities at the measurement date.

E. Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to / from other funds" (i.e., the current portion of interfund loans) or "advances to / from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to / from other funds." Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances."

All trade and property tax receivables are shown net of an allowance for uncollectible.

Property tax revenue is recognized in the fiscal year for which the taxes have been levied providing they become available. Available means when due, or past due and receivable within the current period and collected within the current period or expected to be collected soon enough thereafter (not to exceed 60 days) to be used to pay liabilities of the current period. The County of Los Angeles collects property taxes for the City. Tax liens attach annually as of 12:01 A.M. on the first day in January preceding the fiscal year for which the taxes are levied. Taxes are levied on both real and personal property as it exists on that date. The tax levy covers the fiscal period July 1 to June 30. All secured personal property taxes and one-half of the taxes on real property are due November 1; the second installment is due February 1. All taxes are delinquent, if unpaid, on December 10 and April 10, respectively. Unsecured personal property taxes become due on the first of March each year and are delinquent on August 31.

F. Prepaid Items

The prepaid items are payments made to vendors for costs applicable to future accounting periods and are recorded under the consumption method in both government-wide and fund financial statements.

G. Inventories

Inventories of supplies are recorded at cost, whereas inventories held for resale are recorded at lower of cost or market using the first-in, first-out (FIFO) method. The cost of inventory is recorded as an asset when purchased and is expensed when consumed.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(1) Summary of Significant Accounting Policies (Continued)

H. Land Held for Resale

Land held for resale is recorded in the City's Housing Successor Special Revenue Fund, Housing Authority Development Projects Fund and in the Private-Purpose Trust Fund – Successor Agency of the Former Community Development Commission (CDC) at the lower of acquisition cost or estimated net realizable value when such amount becomes determinable as a result of the City entering into a contract for sale of property.

I. Capital Assets

Capital assets are recorded at cost where historical records are available and at an estimated historical cost where no historical records exist. Contributed capital assets are valued at their estimated acquisition value at the date of the contribution. Generally, capital asset purchases in excess of \$5,000 are capitalized if they have an expected useful life of three years or more.

Capital assets, which include property, plant, equipment, infrastructure (e.g., roads, bridges, sidewalks and similar items) and intangible assets, are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. The City's infrastructure assets are recorded at historical cost or at estimated historical cost if actual historical cost was not available. All current year additions to infrastructure assets are depreciated.

Depreciation has been provided using the straight-line method over the estimated useful life of the asset in the government-wide financial statements and in the fund financial statements of the proprietary funds.

The following schedule summarizes capital asset useful lives:

- Building and improvements 10-50 years
- Equipment and furniture 3-50 years
- Vehicles 5-10 years
- Infrastructure 10-65 years
- Wells 20 years
- Pumping and purification equipment 5-50 years
- Distribution and service equipment 5-50 years
- Eastside reservoir 45 years
- Westside reservoir 45 years
- Right to use lease and subscription assets 5-50 years

CITY OF SOUTH GATE
Notes to the Basic Financial Statements
For the Year Ended June 30, 2023

(1) Summary of Significant Accounting Policies (Continued)

J. Deferred Outflows/Inflows of Resources

The Statement of Net Position and the Balance Sheet report separate sections for Deferred Outflows of Resources and Deferred Inflows of Resources, when applicable.

Deferred Outflows of Resources represent outflows of resources (consumption of net assets) that apply to future periods and that, therefore, will not be recognized as an expense until that time.

Deferred Inflows of Resources represent inflows of resources (acquisition of net assets) that apply to future periods and that, therefore, will not be recognized as revenue until that time.

K. Net Pension Liability

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Plan and additions to/deductions from the Plan's fiduciary net position have been determined on the same basis as they are reported by the plans. For this purpose, benefit payments (including refunds of employee contributions) are recognized when currently due and payable in accordance with the benefit terms. Investments are reported at fair value.

The following timeframes are used for pension reporting:

CalPERS

Valuation Date	June 30, 2021
Measurement Date	June 30, 2022
Measurement Period	July 1, 2021 to June 30, 2022

PARS

Valuation Date	June 30, 2021
Measurement Date	June 30, 2022
Measurement Period	July 1, 2021 to June 30, 2022

Gains and losses related to changes in total pension liability and fiduciary net position are recognized in pension expense systematically over time. The first amortized amounts are recognized in pension expense for the year the gain or loss occurs. The remaining amounts are categorized as deferred outflows and deferred inflows of resources related to pensions and are to be recognized in future pension expense. The amortization period differs depending on the source of the gain or loss. The difference between projected and actual earnings is amortized straight-line over 5 years. All other amounts are amortized straight-line over the average expected remaining service lives of all members that are provided with benefits (active, inactive, and retired) as of the beginning of the measurement period.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(1) Summary of Significant Accounting Policies (Continued)

L. Other Postemployment Benefits ("OPEB")

For purposes of measuring the net OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, information about the fiduciary net position of the City's Retiree Benefits Plan ("OPEB Plan") and additions to/deductions from OPEB Plan's fiduciary net position have been determined on the same basis as they are reported by the Plan. For this purpose, the OPEB Plan recognizes benefit payments when due and payable in accordance with the benefit terms

The following timeframes are used for OPEB reporting:

OPEB

Valuation Date	June 30, 2021
Measurement Date	June 30, 2022
Measurement Period	July 1, 2021 to June 30, 2022

Gains and losses related to changes in total OPEB liability and fiduciary net position are recognized in OPEB expense systematically over time. The first amortized amounts are recognized in pension expense for the year the gain or loss occurs. The remaining amounts are categorized as deferred outflows and deferred inflows of resources related to pensions and are to be recognized in future pension expense. The amortization period differs depending on the source of the gain or loss. The difference between projected and actual earnings is amortized straight-line over 5 years. All other amounts are amortized straight-line over the average expected remaining service lives of all members that are provided with benefits (active, inactive, and retired) as of the beginning of the measurement period.

M. Compensated Absences

Employees can carry forward, for use in subsequent years, earned but unused vacation and sick leave benefits to a specific limit. Upon termination, the City is obligated to compensate employees for all accrued earned but unused vacation days. Upon termination, employees that have provided at least 15 years of service to the City are reimbursed for 50% to 75% of earned but unused sick leave benefits.

A liability is recorded for unused vacation and similar compensatory leave balances since the employees' entitlement to these balances are attributable to services already rendered and it is probable that virtually all of these balances will be liquidated by either paid time off or payments upon termination or retirement.

A liability is also recorded for unused sick leave balances for an estimated amount based on active employee's eligibility. The estimated amount is calculated based on accrued value of the sick leave balances at June 30, 2023, and the City of South Gate Memorandum of Understanding Sick Leave Payoff eligibility calculation. Other amounts of unused sick leave are excluded from the liability since their payment is contingent solely upon the occurrence of a future event which is outside the control of the City and the employee.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(1) Summary of Significant Accounting Policies (Continued)

A liability is accrued for all leave benefits relating to the operations of the proprietary funds. A current liability is accrued in the governmental funds for material leave benefits due on demand to governmental fund employees that have terminated prior to year-end. All other amounts are recorded in the statement of net position. These non-current amounts will be recorded as fund expenditures in the year in which they are paid or become due.

N. Long-Term Liabilities

In the government-wide financial statements and proprietary fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the governmental activities, business-type activities or proprietary fund type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses.

O. Net Position

In the governmental-wide financial statements and proprietary fund financial statements, net position is classified as follows:

Net Investment in Capital Assets – This amount consists of capital assets net of accumulated depreciation and reduced by outstanding debt and any deferred outflows or inflows of resources that are attributed to the acquisition, construction, or improvement of the assets, net of unspent debt proceeds and deferred gain/loss on refunding and retention payable.

Restricted Net Position – This amount is restricted by external creditors, grantors, contributors, or laws or regulations of other governments.

Unrestricted Net Position – This component of net position is the amount of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or the restricted component of net position.

Sometimes the government will fund outlays for a particular purpose from both restricted (e.g., restricted bond or grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted – net position and unrestricted – net position in the government-wide and proprietary fund financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the government's policy to consider restricted – net position to have been depleted before unrestricted – net position is applied.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(1) Summary of Significant Accounting Policies (Continued)

P. Fund Balance

In the fund financial statements, governmental funds report the following fund balance classification:

Non-spendable – This portion of a fund balance includes amounts that cannot be spent because they are either: (a) not in a spendable form, such as prepaid items, inventories of supplies, loans receivable, and land held for resale, unless the proceeds from the collection of those receivables or from sale of the properties is restricted, committed, or assigned; or (b) legally or contractually required to be maintained intact.

Restricted – This portion of a fund balance reflects constraints placed on the use of resources (other than non-spendable items) that are either: (a) externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

Committed – This portion of a fund balance includes amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision-making authority (City Council), and remain binding unless removed in the same manner. The City Council, as the City's highest level of decision-making authority, may commit fund balance for specific purposes pursuant to constraints imposed by the adoption of a resolution. These committed amounts cannot be used for any other purpose unless the City Council removes or changes the specified use through the same type of formal action taken to establish the commitment. As part of the City's initiative to prepare for potential economic downturns or a major emergency, the City Council has committed funds as emergency reserves. The City also has committed funds for the employment resource center, budget stabilization and OPEB section 115 trust. The commitments are made through council approval establishing and amending the reserve amounts.

Assigned – This portion of a fund balance includes amounts that are constrained by the government's intent to be used for specific purposes, but that are neither restricted nor committed. The City Council has designated the Director of Administrative Services as the City official to determine and define the amounts of those components of fund balance that are classified as "Assigned Fund Balance."

Unassigned – This portion of a fund balance includes amounts that do not fall into one of the above four categories. The General Fund is the only fund that should report this category of fund balance, unless a negative fund balance exists.

Sometimes the government will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. The City considers restricted fund balance to have been spent first when expenditure is incurred for

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(1) Summary of Significant Accounting Policies (Continued)

purposes for which both restricted and unrestricted fund balance is available. Similarly, when an expenditure is incurred for purposes for which amounts in any of the unrestricted classifications of fund balance could be used, the City considers committed amounts to be reduced first, followed by assigned amounts and then unassigned amounts.

Q. Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

R. Changes in Accounting Policy

During fiscal year ended June 30, 2023, the City implemented the following new GASB Pronouncement:

GASB Statement No. 96, SBITAs – Subscription-Based Information Technology Arrangements. Implementation of this Standard resulted in restating beginning balances as of July 1, 2022 to recognize subscription right-to-use assets and offsetting subscription liability in the amount of \$946,532.

(2) Cash and Investments

As of June 30, 2023, cash and investments were reported in the accompanying financial statements as follows:

	Government-Wide		Fiduciary Funds	Total
	Statement of Net Position			
	Governmental Activities	Business-Type Activities	Statement of Net Position	
Cash and investments	\$ 105,514,208	\$ 49,193,561	\$ 1,846,081	\$ 156,553,850
Cash and investments with fiscal agent	314,628	876,794	4,247,839	5,439,261
Total cash and investments	<u>\$ 105,828,836</u>	<u>\$ 50,070,355</u>	<u>\$ 6,093,920</u>	<u>\$ 161,993,111</u>

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(2) Cash and Investments (Continued)

Cash and investments as of June 30, 2023 consisted of the following:

Cash:	
Cash on hand	\$ 16,959
Deposits with financial institution	<u>16,025,694</u>
Total Cash	<u>16,042,653</u>
Investments:	
Investments	140,567,997
Investments held by bond trustee	<u>5,382,461</u>
Total Investments	<u>145,950,458</u>
Total Cash and Investments	<u><u>\$ 161,993,111</u></u>

The City maintains a cash and investment pool that is available for use for all funds. Each fund type's position in the pool is reported on the combined balance sheet as cash and investments. The City has adopted an investment policy, which authorizes it to invest in various investments.

A. Demand Deposits

At June 30, 2023, the carrying amount of the City's deposits was \$16,025,694 and the bank balance was \$16,625,261. The difference represents outstanding checks and other reconciling items.

The California Government Code requires California banks and savings and loan associations to secure a City's deposits by pledging government securities with a value of 110% of a City's deposits. California law also allows financial institutions to secure City deposits by pledging first trust deed mortgage notes having a value of 150% of a City's total deposits. The City Treasurer may waive the collateral requirement for deposits which are fully insured up to \$250,000 by the FDIC.

The collateral for deposits in federal and state-chartered banks is held in safekeeping by an authorized Agent of Depository recognized by the State of California Department of Banking. The collateral for deposits with savings and loan associations is generally held in safekeeping by the Federal Home Loan Bank in San Francisco, California as an Agent of Depository.

These securities are physically held in an undivided pool for all California public agency depositors. Under Government Code Section 53655, the placement of securities by a bank or savings and loan association with an "Agent of Depository" has the effect of perfecting the security interest in the name of the local governmental agency. Accordingly, all collateral held by California Agents of Depository are considered to be held for, and in the name of, the local governmental.

D. Investment in State Investment Pool

The City is a voluntary participant in the LAIF that is regulated by the California Government Code Section 16429 under the oversight of the Treasurer of the State of California. LAIF is not registered with the Securities and Exchange Commission. The fair value of the City's investment in this pool is reported in the accompanying financial statements at amounts based upon the City's pro-rata share of the fair value provided by LAIF for the entire LAIF portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by LAIF, which are recorded on an amortized cost basis. The City's investments with LAIF at June 30, 2023, included a portion of the pool funds invested in Structured Notes and Asset-Backed Securities:

Structured Notes – debt securities (other than asset-backed securities) whose cash flow characteristics (coupon rate, redemption amount, or stated maturity) depend upon one or more indices and/or that have embedded forwards or options.

Asset-Backed Securities – generally, mortgage-backed securities that entitle their purchasers to receive a share of the cash flows from a pool of assets such as principal and interest repayments from a pool of mortgages (for example, Collateralized Mortgage Obligations) or credit card receivables.

As of June 30, 2023, the City had \$70,077,808 invested in LAIF, which had invested 2.31% of the pool investment funds in Structured Notes and Asset-Backed Securities

E. Fair Value Measurements

At June 30, 2023, investments are reported at fair value. The following table presents the fair value measurement of investments on a recurring basis and the levels within the fair value hierarchy in which the fair value measurements fall at June 30, 2023:

Investment Type	Level 2	Not subject to measurement	Total
Local Agency Investment Fund	\$ -	\$ 70,077,808	\$ 70,077,808
Certificates of deposits	18,912,678	-	18,912,678
Money market funds	-	7,058,349	7,058,349
U.S. government sponsored agency securities	44,519,163	-	44,519,163
Held by fiscal agent: Money market funds	-	5,382,460	5,382,460
Total	\$ 63,431,841	\$ 82,518,617	\$ 145,950,458

The certificates of deposits are valued based on matrix pricing and the U.S. government sponsored agency securities are valued based on institutional bond quotes.

F. Risk Disclosures

Credit Risk

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. LAIF does not have a rating provided by a nationally recognized statistical rating organization.

At June 30, 2023, the City's investments are rated as follows:

Investment Type	Total	Minimum Legal Rating	Ratings at Year-End AA or AAA	Not Rated
Local Agency Investment Fund	\$ 70,077,808	N/A	\$ -	\$ 70,077,808
Certificates of deposits	18,912,678	N/A	-	18,912,678
Money market funds	7,058,349	AAA	7,058,349	-
U.S. government sponsored agency securities	44,519,163	AAA	44,519,163	-
Held by fiscal agent: Money market funds	5,382,460	AAA	5,382,460	-
Total	\$ 145,950,458		\$ 56,959,972	\$ 88,990,486

CITY OF SOUTH GATE
Notes to the Basic Financial Statements
For the Year Ended June 30, 2023

(2) Cash and Investments (Continued)

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. As of June 30, 2023, none of the City's deposits or investments was exposed to custodial credit risk.

Concentration of Credit Risk

The City's investment policy imposes restrictions with the exception of U.S. Treasury securities, federal agency securities, U.S. government sponsored enterprise securities, overnight sweep accounts, and authorized pools that no more than 30% of the City's total investment portfolio to be invested in a single security type or 10% in any one corporate or bank issuer. With respect to concentration risk, as of June 30, 2023, the City is in compliance with its investment policy.

Investments in any one issuer that represent 5% or more of total City investment are as follows:

<u>Investment Type</u>	<u>Issuer</u>	<u>Reported Amount</u>	<u>Percentage of Portfolio</u>
U.S. government sponsored agency securities	Federal Home Loan Bank	\$13,593,333	9.00%
U.S. government sponsored agency securities	Freddie Mac	8,509,780	6.00%

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(2) Cash and Investments (Continued)

Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. One of the ways that the City manages its exposure to interest rate risk is by purchasing a combination of shorter term and longer term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations. The City has elected to use the segmented time distribution method of disclosure for its interest rate risk.

At June 30, 2023, the City's investments have the following remaining maturities:

Investment Type	Totals	Remaining Maturing (In Months)		
		12 Months Or Less	13 to 24 Months	25 to 60 Months
Local Agency Investment Fund	\$ 70,077,808	\$ 70,077,808	\$ -	\$ -
Certificates of deposit	18,912,678	4,849,337	10,523,974	3,539,367
Money market funds	7,058,349	7,058,349	-	-
U.S. government sponsored agency securities	44,519,163	8,839,060	14,705,363	20,974,740
Held by fiscal agent: Money market funds	5,382,460	5,382,460	-	-
Total	\$ 145,950,458	\$ 96,207,014	\$ 25,229,337	\$ 24,514,107

(3) Leases Receivable

The City is the lessor in 2 noncancellable leases for building office space and a land lease. The lessees are required to make fixed monthly payments ranging from \$1,664 to \$10,000 per month. The City recognized \$107,735 in lease revenue and \$29,257 in interest revenue during the current fiscal year related to these agreements. As of June 30, 2023, the lease receivable is \$674,551 and deferred inflow of resources related to leases is \$631,595.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(4) Notes and Loans Receivable

Summary of changes in notes and loans receivable for the year ended June 30, 2023 is as follows:

Program	Balance July 1, 2022	Additions	Deletions	Balance June 30, 2023
Rental Rehabilitation	\$ 17,433	\$ -	\$ -	\$ 17,433
Section 8 Repayment Program	14,415	-	-	14,415
CDBG and First Time Home Buyers	8,392,041	-	(301,594)	8,090,447
CalHome Loan Program	342,680	-	-	342,680
Total	<u>\$ 8,766,569</u>	<u>\$ -</u>	<u>\$ (301,594)</u>	<u>\$ 8,464,975</u>

A. Rental Rehabilitation

The City participates in a Rental Rehabilitation Program. The purpose of the Rental Rehabilitation Loan Program is to assist owners of smaller rental properties which are occupied by persons or families that have an income less than 80% of the statewide median income. At June 30, 2023, the City has rental rehabilitation outstanding balance in the amount of \$17,433.

B. Section 8 Repayment Program

The City of South Gate also participates in a Section 8 Repayment Program. The program was authorized by Congress in 1974 and developed by HUD to provide rental subsidies for eligible tenant families (including single persons) residing in newly constructed, rehabilitated and existing rental and cooperative apartment projects. At June 30, 2023, the outstanding balance was \$14,415.

C. CDBG First Time Home Buyer

The Community Development Department of the City of South Gate operates various loan programs under the Federal Community Development Block Grant Program which includes the First Time Homebuyer Program. This program provides zero percent interest silent second down payment assistance loans to residents who meet certain qualifications for the purpose of providing homeownership assistance to low-and-moderate income families.

The loans are secured by a deed of trust and monthly payments are not required. The loans become due and payable when any of the following occurs: 1) the property is sold or transferred, 2) property is no longer owner-occupied, 3) property is refinanced, 4) the last surviving borrower dies, at which time full repayment would be required, the loan is never forgiven. At June 30, 2023, the outstanding balance was \$8,090,447.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

(4) Notes and Loans Receivable (Continued)

D. CalHome Loan Program

The Community Development Department of the City of South Gate operates a Homeowner Rehabilitation Program to assist low-income qualified residents make needed home repairs. Home repairs include such things as new energy efficient windows, new roof, upgraded electrical and plumbing, and to address other substandard conditions.

A one-time funding of \$1,000,000 was awarded by the State of California Housing and Community Development Department to assist at least 15 residents with zero percent interest loans. This loan program is capped at \$50,000 per household and is due and payable when any of the following occurs: 1) the property is sold or transferred, 2) property is no longer owner-occupied, 3) property is refinanced, 4) the last surviving borrower dies, or 5) at the end of thirty (30) years from loan origination, at which time full repayment would be required. The loan is never forgiven. At June 30, 2023, the outstanding balance is \$342,680.

(5) Interfund Transactions

A. Due To/From Other Funds

Current interfund receivables and payables are the result of short-term borrowings at June 30, 2023.

Due from Other Funds	Due to Other Funds			Total
	General Fund	Grant Special Revenue Fund	Nonmajor Governmental Funds	
General Fund	\$ -	\$ 11,971,665	\$ 1,130,113	\$ 13,101,778

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(7) Long Term Liabilities (Continued)

Bonds

2005 Pension Obligation Bond

In March 2005, the City of South Gate issued \$24,400,000 in Pension Obligation Bonds (public offering). The proceeds were used to provide funds to cover the City's unfunded actuarial liability for safety employees through June 30, 2004. Proceeds were also used to advance refund \$6,675,000 of outstanding 2001 Taxable Certificates of Participation. The net proceeds were deposited in an escrow account with U.S. Bank National Association. The Certificates of Participation are considered defeased and have been paid in full.

The bonds mature in amounts ranging from \$1,070,000 to \$1,910,000 with interest ranging from 4.6% to 5.42%. Interest on the bonds is payable on December 1, 2005 and semi-annually thereafter on June 1 and December 1 of each year. The bonds were issued at face value. At June 30, 2023, the outstanding balance on the bonds is \$8,615,000.

The following schedule summarizes the debt service to maturity requirements for governmental activities bonds payable outstanding as of June 30, 2023:

Year Ending June 30,	Principal	Interest	Total
2024	\$ 1,545,000	\$ 464,349	\$ 2,009,349
2025	1,630,000	381,073	2,011,073

Unamortized premium	918,877	-	(69,349)	849,528	69,349
Total long-term debt	<u>\$ 28,998,877</u>	<u>\$ -</u>	<u>\$ (1,749,349)</u>	<u>\$ 27,249,528</u>	<u>\$ 1,784,349</u>

2019 Series A and AT Water Revenue Bonds

On December 5, 2019, the South Gate Utility Authority issued \$31,340,000 of 2019 Series A and AT Water Revenue Bonds. Proceeds of these bonds were used to refund the Authority's 2001 Subordinate Revenue Bonds and 2012 Series Water Revenue Bonds and pay costs of issuance of these bonds. The refunding resulted in saving in debt service payment in the amount of \$7,568,399 and economic gain in present value saving of \$5,941,319. The outstanding balance of the refunded debt at June 30, 2023 was \$27,249,528.

Debt covenants of the 2019 Revenue Bonds require that the Utility Authority set its charges at rates that will produce net water revenues that are at least equal to 120% of the proportionate share of certain debt service payments (as defined in the official statement).

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(7) Long Term Liabilities (Continued)

Net water revenue received during the year was \$2,669,159. Total principal and interest paid for the fiscal year was \$2,507,638 for 2019 Series A and AT Water Revenue Bonds.

The following schedule summarizes the debt service to maturity requirements for the bonds outstanding as of June 30, 2023:

Year Ending June 30,	Principal	Interest	Total
2024	\$ 1,715,000	\$ 791,722	\$ 2,506,722
2025	1,755,000	752,853	2,507,853
2026	1,795,000	710,856	2,505,856
2027	1,840,000	665,624	2,505,624
2028	1,890,000	616,800	2,506,800
2029-2033	10,315,000	2,224,147	12,539,147
2034-2036	7,090,000	433,000	7,523,000
Total	<u>\$ 26,400,000</u>	<u>\$ 6,195,002</u>	<u>\$ 32,595,002</u>

Compensated Absences

The following is summary of changes in business-type activities compensated absences for the year ended June 30, 2023:

	Balance July 1, 2022	Addition	Deletion	Balance June 30, 2023	Due within One Year
Compensated absences	\$ 355,665	\$ 334,696	\$ (315,206)	\$ 375,155	\$ 32,517

For the enterprise funds, accumulated vacation, sick leave, holiday and compensatory time amounted to \$375,155 at June 30, 2023. The liability will be paid in future years by the Utility Authority Water Fund and the Utility Authority Sewer Fund.

(8) Defined Contribution Plan

The City has established a defined contribution plan in accordance with Internal Revenue Code Section 401(a) to provide tax deferred payments towards retirement for employees. Under this plan, the City will provide a dollar-for-dollar match of the contributions paid by the employee into a 457 deferred compensation plan up to one-half the annual contribution limit set by the IRS. For the year ended June 30, 2023, the City contributed \$314,967 to the plan.

A. *California Public Employees' Retirement System ("CalPERS")*

General Information about the Pension Plan

Plan Description

The City contribution to the California Public Employees Retirement System ("CalPERS"), an agent multiple-employer defined benefit pension plan for miscellaneous employees and a cost-sharing multiple-employer defined benefit plan for safety employees. CalPERS act as a common investment and administrative agent for participating public entities within the State of California. Benefit provisions and all other requirements are established by state statute and City ordinance. A full description of the pension plan regarding number of employees covered, benefit provisions, assumptions (for funding, but not accounting purposes), and membership information are listed in the annual actuarial valuation report. This report and CalPERS' audited financial statements are publicly available reports that can be obtained at CalPERS' website under Forms and Publications.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(9) Retirement Plans (Continued)

Benefits Provided

CalPERS provide retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefits provisions under both plans are established by the State statute and City resolution as follows:

	Miscellaneous Plan		Safety Plan	
	Classic*	PEPRA	Classic*	PEPRA
	Prior to	On or after	Prior to	On or after
Hire date	January 1, 2013	January 1, 2013	January 1, 2013	January 1, 2013
Benefit formula	2.7% @ 55	2.0% @ 62	3.0% @ 50	2.7% @ 57
Benefit vesting schedule	5 years of service	5 years of service	5 years of service	5 years of service
Benefit payments	monthly for life	monthly for life	monthly for life	monthly for life
Retirement age	minimum 50	minimum 52	minimum 50	minimum 50
Monthly benefits, as a % of eligible compensation	2.000% - 2.700%	1.000% - 2.500%	3.00%	2.000% - 2.700%
Required employee contribution rates	8.000%	6.500%	9.000%	13.660%
Required employer contribution rates	11.400%	11.400%	25.640%	13.750%

* Closed to new entrants

Industrial disability benefits are not offered to miscellaneous employees. The City provides industrial disability retirement benefit to safety employees. The industrial disability retirement benefit is a monthly allowance equal to 50 percent of final compensation.

An employee's beneficiary may receive the basic death benefit if the employee dies while actively employed. The employee must be actively employed with the City to be eligible for this benefit. An employee's survivor who is eligible for any other pre-retirement death benefit may choose to receive that death benefit instead of this basic death benefit. The basic death benefit is a lump sum in the amount of the employee's accumulated contributions, where interest is currently credited at 6 percent per year, plus a lump sum in the amount of one month's salary for each completed year of current service, up to a maximum of six months' salary. For purposes of this benefit, one month's salary is defined as the member's average monthly full-time rate of compensation during the 12 months preceding death.

Upon the death of a retiree, a one-time lump sum payment of \$500 will be made to the retiree's designated survivor(s), or to the retiree's estate.

Benefit terms provide for annual cost-of-living adjustments to each employee's retirement allowance. Beginning the second calendar year after the year of retirement, retirement and survivor allowances will be annually adjusted on a compound basis by 2 percent.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(9) Retirement Plans (Continued)

Employees Covered by Benefit Terms

At the June 30, 2023 measurement date, the following employees were covered by the benefit terms:

	Miscellaneous	Safety	
		Classic	PEPRA
Active employees	249	45	28
Transferred and terminated employees	402	38	-
Retired Employees and Beneficiaries	380	212	1
Total	1,031	295	29

Contribution Description

Section 20814(c) of the California Public Employees’ Retirement Law (PERL) requires that the employer contribution rates for all public employers are determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. The total plan contributions are determined through CalPERS’ annual actuarial valuation process. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The employer is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. Employer contribution rates may change if plan contracts are amended. Payments made by the employer to satisfy contribution requirements that are identified by the pension plan terms as plan member contribution requirements are classified as plan member contributions.

Net Pension Liability

Actuarial Methods and Assumptions Used to Determine Total Pension Liability

The June 30, 2021 valuation was rolled forward to determine the June 30, 2023 total pension liabilities, based on the following actuarial methods and assumptions:

Actuarial Cost Method	Entry Age Normal in accordance with the requirement of GASB 68
Actuarial Assumptions:	
Discount Rate	6.90%
Inflation	2.50%
Salary Increases	Varies by Entry Age and Service
Mortality Rate Table	Dervied using CalPERS' membership data for all funds
Post Retirement Benefit Increase	The lesser of contract COLA or 2.5% until Purchasing Power Protection Allowance floor on purchasing power applies, 2.5% thereafter

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(9) Retirement Plans (Continued)

The mortality table used was developed based on CalPERS-specific data. The probabilities of mortality are based on the 2021 CalPERS Experience Study for the period from 2001 to 2019. Pre-retirement and Post-retirement mortality rates include mortality improvement using 80% of Scale MP-2020 published by the Society of Actuaries. For more details on this table, please refer to the CalPERS Experience Study and Review of Actuarial Assumptions report from November 2021 that can be found on the CalPERS website.

Change in Assumptions

There were no changes in assumptions.

Long-Term Expected Rate of Return

The long-term expected rate of return on pension plan investments was determined using a building-block method in which expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

In determining the long-term expected rate of return, CalPERS took into account both short-term and long-term market return expectations. Using historical returns of all the funds' assets classes, expected compound (geometric) returns were calculated over the next 20 years using a building-block approach. The expected rate of return was then adjusted to account for assumed administrative expenses of 10 Basis points. The expected real rate of return by asset class are as follows:

The expected real rate of return by asset class as followed:

Asset Class ¹	Current Target Allocation	Real Return Years ^{1,2}
Global Equity - Cap-weighted	30.00%	4.54%
Global Equity - Non-Cap-weighted	12.00%	3.84%
Private Equity	13.00%	7.28%
Treasury	5.00%	0.27%
Mortgage-backed Securities	5.00%	0.50%
Investment Grade Corporates	10.00%	1.56%
High Yield	5.00%	2.27%
Emerging Market Debt	5.00%	2.48%
Private Debt	5.00%	3.57%
Real Assets	15.00%	3.21%
Leverage	-5.00%	-0.59%
	<u>100.00%</u>	

¹ An expected inflation of 2.30% used for this period.

² Figures are based on the 2021 Asset Liability Management study.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(9) Retirement Plans (Continued)

Discount Return

The discount rate used to measure the total pension liability was 6.90%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers will be made at statutorily required rates, actuarially determined. Based on those assumptions, the Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Changes in the Net Pension Liability

The following table shows the changes in net pension liability for the miscellaneous plan recognized over the measurement period.

	Miscellaneous Plan		
	Increase (Decrease)		
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability/(Asset) (c) = (a) - (b)
Balance at June 30, 2021 (Valuation Date)	\$ 183,724,478	\$163,053,582	\$ 20,670,896
Changes Recognized for the Measurement Period:			
Service Cost	3,205,823	-	3,205,823
Interest on the total pension liability	12,686,538	-	12,686,538
Changes of benefit terms	-	-	-
Changes of assumptions	6,119,427	-	6,119,427
Difference between expected and actual experience	(3,681,427)	-	(3,681,427)
Contributions from the employer	-	5,234,731	(5,234,731)
Contributions from employees	-	1,213,666	(1,213,666)
Net investment income	-	(12,317,517)	12,317,517
Administrative expenses	-	(101,573)	101,573
Plan to plan resource movement	-	-	-
Other Miscellaneous Income/(Expense)	-	-	-
Benefit payments, including refunds of employee contributions	(7,805,031)	(7,805,031)	-
Net Changes during July 1, 2021 to June 30, 2022	10,525,330	(13,775,724)	24,301,054
Balance at June 30, 2022 (Measurement Date)	\$ 194,249,808	\$149,277,858	\$ 44,971,950

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(9) Retirement Plans (Continued)

Proportionate Share of Net Pension Liability and Pension Expense

The following table shows the City's safety plan's proportionate share of the risk pool collective net pension liability over the measure period.

	Increase (Decrease)		
	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability/(Asset)
	(a)	(b)	(c) = (a) - (b)
Balance at June 30, 2021 (Measurement Date)	189,896,593	149,859,742	40,036,851
Balance at June 30, 2022 (Measurement Date)	200,137,505	133,626,510	66,510,995
Net Changes during 2021-2022	10,240,912	(16,233,232)	26,474,144

The City's proportionate share of the net pension liability was based on a projection of the City's long-term share of contributions to the pension plans relative to the projected contributions of all participating employers, actuarially determined.

Deferred outflows of resources, deferred inflows of resources, and pension expense are allocated based on the City's share of contributions made during the measurement period.

The City's proportionate share of the net pension liability was as follows:

	Safety Plan
6/30/2021 (Measurement Date)	0.74029%
6/30/2022 (Measurement Date)	0.57581%
Change - Increase (Decrease)	-0.16448%

Sensitivity of the Net Pension Liability to Changes in the Discount Rate

The following presents the net pension liability of the Plan as of the measurement date, calculated using the discount rate of 6.90 percent, as well as what the net pension liability would be if it were calculated using a discount rate that is 1 percentage-point lower (5.90 percent) or 1 percentage-point higher (7.90 percent) than the current rate:

	Plan's Net Pension Liability/(Asset)		
	Discount Rate - 1% (5.90%)	Current Discount Rate (6.90%)	Discount Rate + 1% (7.90%)
Miscellaneous Plan	\$ 73,326,203	\$ 44,971,950	\$ 21,870,615
Safety Plan	\$ 94,149,671	\$ 66,510,995	\$ 43,922,621

Pension Plan Fiduciary Net Position

Detailed information about the plan's fiduciary net position is available in the separately issued CalPERS financial report.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(9) Retirement Plans (Continued)

Pension Plan Fiduciary Net Position

Detailed information about the plan’s fiduciary net position is available in the separately issued CalPERS financial report.

Pension Expense and Deferred Outflows and Deferred Inflows of Resources Related to Pensions

As of measurement date of June 30, 2022, the City has deferred outflows and deferred inflows of resources related to pensions as follows.

Miscellaneous Plan

	Deferred Outflows of Resources	Deferred Inflows of Resources
Changes of Assumptions	\$ 3,852,973	\$ -
Pension contribution after measurement date	5,816,585	-
Difference between expected and actual experience	-	(2,456,730)
Net difference between projected and actual earning on pension plan investments	7,548,267	-
	\$ 17,217,825	\$ (2,456,730)

Safety Plan

	Deferred Outflows of Resources	Deferred Inflows of Resources
Changes of Assumptions	\$ 6,706,322	\$ -
Pension contribution after measurement date	6,758,712	-
Difference between expected and actual experience	2,752,648	(722,257)
Net difference between projected and actual earning on pension plan investments	10,503,016	-
Adjustment due to differences in proportions	1,032,589	(61,755)
Employer contributions in excess (under) proportionate contributions	-	(3,758,527)
Total	\$ 27,753,287	\$ (4,542,539)

The expected average remaining service lifetime (“EARSL”) is calculated by dividing the total future service years by the total number of plan participants (active, inactive, and retired). The EARSL for the miscellaneous plan and the safety risk pool for the measurement date ending June 30, 2023 is 2.6 and 3.8 years, which was obtained by dividing the total service years of 2,632 and 548,581 (the sum of remaining service lifetimes of the active employees) by 1,011 and 145,663 (the total number of participants: active, inactive, and retired), respectively. Inactive employees and retirees have remaining service lifetime equal to 0. Total future service is based on the members’ probability of decrementing due to an event other than receiving a cash refund.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(9) Retirement Plans (Continued)

\$5,816,585 and \$6,758,712 reported as deferred outflows of resources related to pensions for miscellaneous plan and safety plan, respectively, resulting from the City’s contributions subsequent to the measurement date during the fiscal year ended June 30, 2023 will be recognized as a reduction of the net pension liability and collective net pension liability in the fiscal year ending June 30, 2024. Other amounts reported as deferred outflows or deferred inflows of resources related to pensions will be recognized as pension expense as follows:

Fiscal Year Ending June 30	Deferred Outflows/ (Inflows) of Resources	Deferred Outflows/ (Inflows) of Resources
	Miscellaneous	Safety
2024	\$ 1,988,183	\$ 4,404,269
2025	1,717,688	3,543,080
2026	537,947	2,097,713

B. Supplemental Retirement Plan

General Information about the Pension Plan

Plan Description

Effective July 1, 2002, the City established a supplemental retirement plan with the Public Agency Retirement System (“PARS”). The supplemental retirement plan administered by PARS (the “PARS plan”) is an agent multiple-employer defined benefit pension plan. The PARS plan is separated into two tiers. The PARS plan was organized under the authority of the City Council and may be amended by the City Council. The City issues a stand-alone financial report that is available to the public. The report is available on the City’s website.

Benefits Provided

Tier one provides for the difference between the 3% at 55 benefits and the 2.7% at 55 benefits for years of service to the City. Eligibility to receive benefits is as follows:

- Must be a full-time Top Management miscellaneous (non-safety) employee of the City of South Gate on or after July 1, 2002. Employees hired after December 31, 2012 are not eligible to participate in the Plan.
- Must have completed three years of full-time continuous employment with the City prior to retirement.
- Must concurrently retire from PERS at the time of application for benefits under this plan.
- Must either 1) be at least fifty-five years of age, if retirement is concurrent with separation from the City or 2) be at least sixty years of age.
- Must apply for the benefits, and meet the age requirements.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(9) Retirement Plans (Continued)

Tier two provides a monthly lifetime annuity payment to eligible employees in lieu of post-employment health care benefits. Eligibility to receive benefits is as follows:

- Must have retired from the City with 20 or more years of service.
- Must remain retired.
- Must not participate in the PERS health plan offered by the City.

Employees Covered by Benefit Terms

At June 30, 2021, the valuation date, plan membership consisted of the following:

Active employees	1
Terminated employees	-
Retired Employees and Beneficiaries	28
Total	<u>29</u>

Contributions

The employer contribution rates for all public employees are determined on an annual basis by the actuary and are effective on the July 1 following notice of a change in the rate. The total plan contributions are determined by an independent pension actuary using information furnished by the City and by PARS. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. For the year ended June 30, 2023, the City contributed \$93,404 for the plan. No contributions are required from the employees.

Net Pension Liability

The City's total pension liability was valued as of June 30, 2021 and was used to calculate the net pension liability measured as of June 30, 2022.

Actuarial Methods and Assumptions Used to Determine Total Pension Liability

The total pension liability in the June 30, 2021 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Actuarial Cost Method	Entry age normal , level percent of pay
Amortization Method	Closed period, level percent of pay
Amortization period	20 years
Inflation	2.30%
Investment return	6.22%
Mortality	CalPERS rates
Retirement	CalPERS rates

(9) Retirement Plans (Continued)

Long-Term Expected Real Rate of Return

The long-term expected rate of return is determined using the long-term rates of return developed by CalPERS Investment Office in their report dated May 14, 2018.

<u>Index</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Large Cap Core	32.00%	7.70%
Mid Cap Core	6.00%	8.00%
Small Cap Core	9.00%	8.50%
Real Estate	2.00%	6.60%
International	7.00%	7.50%
Emerging Markets	4.00%	7.50%
Short-Term Bond	6.75%	3.30%
Intermediate - Term Bond	27.00%	4.00%
High - Yield Bond	1.25%	5.70%
Cash	5.00%	2.60%
	<u>100.00%</u>	

Discount Rate

The discount rate used to measure the total pension liability is 6.58%. This is the expected long-term rate of return on City assets using the expected long-term rate of return on invested assets provided by Public Agency Retirement Services (PARS). The projection of cash flows used to determine the discount rate assumed that the City contribution will be made at rates equal to the actuarially determined contribution rates. Based on those assumptions, the pension plan's fiduciary net position is projected to cover all future pension payments. Therefore, the discount rate was set equal to the long-term expected rate of return.

CITY OF SOUTH GATE

Pension Expense and Deferred Outflows/Inflows of Resources Related to Pensions

At June 30, 2023, the City reported deferred outflows and deferred inflows of resources related to PARS plan as follows:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Pension contribution after measurement date	\$ 90,510	\$ -
Net difference between expected and actual earnings on pension plan investment	<u>94,415</u>	<u>-</u>
Total	<u><u>\$ 184,925</u></u>	<u><u>\$ -</u></u>

\$90,510 reported as deferred outflows of resources related to pension contribution resulting from the City's contributions subsequent to the measurement date during the year ended June 30, 2023 will be recognized as a reduction of the net pension liability in the fiscal year ending June 30, 2024. Other amounts reported as deferred outflows of resources related to pensions will be recognized as pension expense as follows:

<u>Fiscal Year Ending June 30</u>	<u>Deferred Outflows/(Inflows) of Resources</u>
2024	\$ 18,229
2025	17,433
2026	10,109
2027	48,644
2028	-
Thereafter	-
Total	<u><u>\$ 94,415</u></u>

(10) Other Postemployment Benefits

A. Plan Description

The City administers a single-employer defined-benefit post-employment healthcare plan (the Plan). Dependents are eligible to enroll, and benefits continue to surviving spouses. Retirees are eligible for medical benefits if they retire with 20+ years of City service, and remain in or enroll in a CalPERS plan upon retirement, and remain so retired. For 2023, the City reimburses retirees who have attained age 50 and at least 20 years of service for 100% of premiums up to a maximum of \$150/month for NonSafety Employees, \$200/month for Top Management Employees, and \$250/month for Safety Employees who retired before July 1, 2005. Safety employees retired after July 1, 2005, who have attained age 50 and at least 20 years of service are eligible to receive up to the two-party Kaiser rate in effect on July 1, 2005 and increased each year by 5% maximum. The maximum does not change based on Medicare eligibility or spouse coverage. The terms of benefits provided are authorized and may be amended in the future by City Council.

At June 30, 2023, (the census date), the benefit term covered the following employees:

Active employees	253
Retired employees and beneficiaries	74
	327

B. Funding Policy

Retirees participating in PEMHCA are responsible for the payment of their medical insurance premiums except that the City contributes the minimum amount provided under Government Code Section 22825 of the Public Employees Medical and Hospital Care Act. The amount contributed by the City during the year ended June 30, 2023 was \$1,128,352, on a pay-as-you-go basis. The City has not established a trust for the purpose of holding assets accumulated for plan benefits.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

(10) Other Postemployment Benefits (Continued)

C. Actuarial Assumptions

The City's total OPEB liability was valued as of June 30, 2021, and was used to calculate the net OPEB liability measured as of June 30, 2022. The total OPEB liability in the June 30, 2021 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

Actuarial Cost Method	Entry Age Normal, Level Percentage of Salary
Actuarial Assumptions:	
Discount Rate	3.69%
Inflation	2.30%
Salary Increases	2.80%. Additional merit-based increases based on CalPERS merit salary increase tables.
Healthcare cost trend rates	
Pre-Medicare	6.50% in the first year, trending down to 4.04%
Medicare	5.50% in the first year, trending down to 4.04% over 56 years.
Mortality Rate Table	Based on CalPERS tables.

D. Discount Rate

The discount rate used to measure the total OPEB liability was 3.69%. The City's OPEB Plan is an unfunded plan, therefore the discount rate was set to the rate of tax-exempt, high-quality 20-year municipal bonds, as of the valuation date.

E. Change in the Total OPEB Liability

	Increase (Decrease)		
	Total OPEB Liability (a)	Plan Fiduciary Net Position (b)	Net OPEB Liability/(Asset) (c) = (a) - (b)
Balance at June 30, 2021	\$ 30,918,514	\$ (714,003)	\$ 30,204,511
Changes Recognized for the Measurement Period:			
Service Cost	1,324,575	-	1,324,575
Interest on the total OPEB liability	597,331	-	597,331
Changes of benefit terms	-	-	-

Sensitivity of the Total OPEB Liability to Changes in the Discount Rate

The following presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using a discount rate 1-percentage point lower (2.96%) or 1-percentage point higher (4.695%) than the current discount rate:

Plan's OPEB Liability/(Asset)		
Discount Rate - 1% (2.96%)	Current Discount Rate (3.69%)	Discount Rate + 1% (4.69%)
\$ 28,296,478	\$ 25,067,099	\$ 22,355,238

Sensitivity of the Total OPEB Liability to Changes in the Health Care Cost Trend Rates

The following presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using healthcare cost trend rates that are 1-percentage-point lower (6%) or 1-percentage-point higher (8%) than the current healthcare cost trend rates:

Plan's OPEB Liability/(Asset)		
Healthcare Cost Trend Rate - 1% (6.00%)	Healthcare Cost Trend Rate (7.00%)	Healthcare Cost Trend Rate + 1% (8.00%)
\$ 22,927,993	\$ 25,067,099	\$ 27,721,170

F. OPEB Liabilities, OPEB Expense and Deferred Outflows/Inflows of Resources to OPEB

For the year ended June 30, 2023, the City recognized OPEB expense of \$1,327,692 for the City Plan. At June 30, 2023, the City reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
OPEB contribution made after the measurement period	\$ 1,128,352	\$ -
Difference between expected and actual experience	-	(6,103,792)
Changes of assumptions	4,211,095	(5,895,648)
Total	\$ 5,339,447	\$ (11,999,440)

\$1,128,352 reported as deferred outflows of resources related to OPEB resulting from the City's contributions subsequent to the measurement date will be recognized as a reduction of the total OPEB liability in the fiscal year ending June 30, 2024. Other amounts reported as deferred inflows of resources related to OPEB will be recognized in the future OPEB expense as follow:

(11) Self-Insurance

The City is self-insured for general, automobile, public liability and worker’s compensation claims. The City has purchased an excess insurance policy for worker compensation claims from Safety National Casualty Corporation. Under this policy, Safety National covers all workers’ compensation claim expenses over \$1,000,000 per claim for safety and over \$750,000 for non-safety. An Internal Service Fund is used to account for the collection of premiums from various City departments related to the amount of workers' compensation policy premium paid and general claims liabilities. Premiums assessed for general claim liabilities are established based on historical claims experience. The City is a member of the Independent Cities Risk Management Authority (“ICRMA”), a joint powers authority formed to provide liability insurance coverage for independent cities. Under the terms of the agreement with the Authority, the City is insured for losses above \$250,000 per claim.

A claims liability of \$14,009,898 is reported in the Self-Insurance Internal Service Fund at June 30, 2023. Claims are reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated.

Claims activities for the two years ended June 30, 2023 are presented as follows:

Years Ended	Beginning Balance	Addition	Deletion	Ending Balance
Workers' Compensation:				
June 30, 2022	\$ 5,054,220	\$ 1,150,370	\$ -	\$ 6,204,590
June 30, 2023	6,204,590	2,086,420	(1,054,058)	7,236,952
General Liability:				
June 30, 2022	\$ 5,717,108	\$ 2,365,347	\$ (1,209,649)	\$ 6,872,806

(12) Contingencies

The City is presently involved in other matters of litigation that have arisen in the normal course of the City's business. City management believes, based upon consultation with the City Attorney, that these cases, in aggregate, are not expected to have a material adverse financial impact on the City. Additionally, City management believes that sufficient reserves are available to the City to cover any potential losses, should an unfavorable outcome materialize.

(13) Construction Commitments

The following material construction commitments existed at June 30, 2023:

<u>Project Name</u>	<u>Contract Amount</u>	<u>Expenditures to date as of June 30, 2023</u>	<u>Remaining Commitments</u>
Urban Orchard Construction	\$16,128,863	\$ 8,634,593	\$ 3,940,321

(16) Successor Agency Trust for Assets of Former Community Development Commission

On December 29, 2011, the California Supreme Court upheld Assembly Bill 1X 26 (“the Bill”) that provided for the dissolution of all redevelopment agencies in the State of California. This action impacted the reporting entity of the City of South Gate that previously had reported a redevelopment agency within the reporting entity of the City as a blended component unit. The Bill provided that upon dissolution of a redevelopment agency, either the City or another unit of local government will agree to serve as the “successor agency” to hold the assets until they are distributed to other units of state and local government. On January 11, 2012, the City Council elected to become the Successor Agency for the former redevelopment agency in accordance with the Bill as part of City resolution number 7473.

After enactment of the law, which occurred on June 28, 2011, redevelopment agencies in the State of California cannot enter into new projects, obligations or commitments. Subject to the control of a newly established oversight board, remaining assets can only be used to pay enforceable obligations in existence at the date of dissolution (including the completion of any unfinished projects that were subject to legally enforceable contractual commitments).

In future fiscal years, successor agencies will only be allocated revenue in the amount that is necessary to pay the estimated annual installment payments on enforceable obligations of the

CITY OF SOUTH GATE

For the Year Ended June 30, 2023

**(16) Successor Agency Trust for Assets of Former Community Development Commission
(Continued)**

former redevelopment agency until all enforceable obligations of the prior redevelopment agency have been paid in full and all assets have been liquidated.

In accordance with the timeline set forth in the Bill (as modified by the California Supreme Court on December 29, 2011) all redevelopment agencies in the State of California were dissolved and ceased to operate as a legal entity as of February 1, 2012.

The Successor Agency to the Former Improvement Agency is reported as a fiduciary fund (private purpose trust fund).

A. Notes and Loans Receivable

On April 5, 1994, the Community Development Commission of the City of South Gate entered into a Disposition and Development Agreement with South Gate Realty Group for the development of certain Real property. South Gate Realty Group owns and operates a housing project located within the boundaries of the South Gate Community Development Commission at 8931 Dudlext Avenue consisting of 20 senior 1-bedroom units. South Gate Realty Group must comply with Housing and Urban Development (HUD) rents for 30 years from the certificate of occupancy date.

The agreement states that 1/30th of the loan amount (\$51,222) will be forgiven each fiscal year starting from the occupancy date if South Gate Realty Group can illustrate compliance with the Disposition and Development Agreement (DDA). The DDA limits the rent at \$620 per unit less \$50 utility allowance for a net of \$570 per month or less. The compliance report is required to be submitted to the City each month in order to receive the \$51,222 annual forgiveness. At June 30, 2023, the outstanding balance on the loan is \$102,434.

2014 Tax Allocation Revenue Refunding Bonds

In July 2014, the County of Los Angeles Redevelopment Refunding Authority issued \$29,835,000 in 2014 Tax Allocation Revenue Refunding Bonds, Series A, South Gate Redevelopment Project No. 1 with an average interest rate of 4.36% and \$3,920,000 in 2014 Tax Allocation Revenue Refunding Bonds, Series B, South Gate Redevelopment Project No. 1 with an average interest rate of 2.65% to refund the outstanding balance of the 2002 Certificates of Participation Series A and Series B, the 2002 Tax Allocation Revenue Bonds and the 2003 Tax Allocation Revenue Bonds.

The 2014 Tax Allocation Revenue Bonds, Series A mature in amounts ranging from \$2,570,000 to \$3,650,000 with interest rates ranging from 2% to 5% through September 1, 2024. Interest on the bonds is payable on March 1, 2015 and semi-annually thereafter on September 1 and March 1 of each year.

A reserve account is required to be maintained in an amount equal to the least of: (i) 10% of the original aggregate principal amount of the bonds; (ii) 125% of average annual debt service; or (iii) maximum annual debt service. As of June 30, 2023, the reserve requirement was \$2,983,500 and the balance held in the reserve account was \$3,040,440.

The bonds were issued at a premium of \$4,287,460. At June 30, 2023, the unamortized premium is \$779,539 and the outstanding balance on the bonds is \$7,125,000.

The following schedule summarizes the debt service to maturity requirements for bonds payable outstanding as of June 30, 2023:

Year Ending			
June 30,	Principal	Interest	Total
2024	\$ 3,475,000	\$ 356,250	\$ 3,831,250
2025	3,650,000	182,500	3,832,500
Total	<u>\$ 7,125,000</u>	<u>\$ 538,750</u>	<u>\$ 15,168,375</u>

The 2014 Tax Allocation Revenue Bonds, Series B mature in amounts ranging from \$365,000 to \$445,000 with interest rates ranging from .70% to 4% through September 1, 2024. Interest on the bonds is payable on March 1, 2015 and semi-annually thereafter on September 1 and March 1 of each year.

A reserve account is required to be maintained in an amount equal to the least of: (i) 10% of the original aggregate principal amount of the bonds; (ii) 125% of average annual debt service; or (iii) maximum annual debt service. As of June 30, 2023, the reserve requirement was \$392,000 and the balance held in the reserve account was \$335,060.

CITY OF SOUTH GATE

Notes to the Basic Financial Statements

For the Year Ended June 30, 2023

**(16) Successor Agency Trust for Assets of Former Community Development Commission
(Continued)**

The bonds were issued at a discount of \$51,106. At June 30, 2023, the unamortized discount is \$5,107 and the outstanding balance on the bonds is \$875,000.

The net proceeds of \$38.0 million of the 2014 Tax Allocation Revenue Refunding Bonds Series A and Series B South Gate Redevelopment Project No. 1 (after a net \$4.2 million of bond premium, discount and cost of issuance) and with \$15.6 million of amounts released from prior obligations were deposited in an irrevocable trust with an escrow agent to provide for all future debt service payments on the refunded 2002 Certificates of Participation Series A and Series B, the 2002 Tax Allocation Revenue Bonds and the 2003 Tax Allocation Revenue Bonds. As a result, the refunded bonds are considered to be defeased and the liability of the 2002 Certificates of Participation Series A and Series B, the 2002 Tax Allocation Revenue Bonds and the 2003 Tax Allocation Revenue Bonds has been removed from long term debt. The refunding decreased the total debt service payment by \$3.1 million over the next 10 years and resulted in an economic gain of \$0.8 million.

The following schedule summarizes the debt service to maturity requirements for bonds payable outstanding as of June 30, 2023:

Year Ending			
June 30,	Principal	Interest	Total
2024	\$ 430,000	\$ 26,400	\$ 456,400
2025	445,000	8,900	453,900
Total	<u>\$ 875,000</u>	<u>\$ 35,300</u>	<u>\$ 910,300</u>

D. Commitments and Contingencies

On May 13, 1998, the Community Development Commission of the City of South Gate entered into a Disposition and Development Agreement with South Gate Villas, LLC. In accordance with this agreement, a promissory note, dated October 27, 1998, was written whereby South Gate Villas, LLC, would pay the Commission \$7,030,000. However, subject to certain provisions included in the disposition and development agreement, \$187,421 would be forgiven annually for each of the next twenty-nine years. Since the provisions indicated in the disposition and development agreement have been significantly met and the possibility of repayment is remote, no receivable has been reflected. The accounting treatment is in accordance with generally accepted accounting principles.

In addition, the Community Development Commission of the City of South Gate has land held for resale in the amount \$205,000 which was acquired and recorded at acquisition cost. Due to the downturn of the economic condition of the State and potential sale of the land in the future, the City may record a potential loss due to the fair market of the asset at the time of the sale.

Notes to the Budgetary Comparison Schedules
For the Year Ended June 30, 2023

Budgets and Budgetary Accounting

The City adheres to general procedures in establishing its annual budget, which is reflected in the accompanying budgetary statements and schedules. The annual budget adopted by the City Council provides for the general operations of the City. It includes proposed expenditures and the means of financing them. Budgeted appropriations lapse at the end of the year. The City Council approves total budgeted appropriations and amendments to appropriations throughout the year. The City Council must approve budget transfers between departments, funds and activities, as well as for the use of salary and benefit appropriations for something other than salary and benefits. The departments of the General Fund are considered to be departments for purposes of this requirement. Actual expenditures may not legally exceed budgeted appropriations at the department level. The level of budgetary control (that is, the level at which expenditures cannot legally exceed the appropriated amount at the department level, which is the legal level of control) is established at the department level within each fund.

Annual budgets are adopted for all Governmental Funds on a basis substantially consistent with Generally Accepted Accounting Principles (GAAP). Formal budgetary information is employed as a management control device. Commitments for materials and services, such as purchase orders and contracts are recorded during the year as encumbrances to assist in controlling expenditures. All appropriations lapse at year-end. Encumbrances for open purchase orders and/or ongoing projects or contracts are carried over and are added to the following year's budgeted appropriations.

Notes:

Benefit changes: the figures above do not include any liability impact that may have resulted from plan changes which occurred after June 30, 2017 valuation date. This applies for voluntary benefit changes as well as any offers of Two Years of Additional Service Credit (a.k.a. Golden Handshakes).

Changes in assumptions: In 2022, the accounting discount rate was reduced from 7.15% to 6.90%. In addition, demographic assumptions and the inflation rate assumption were changed in accordance with the 2021 CalPERS Experience Study and Actuarial Assumptions. None in 2021, 2020 and 2019. In 2018, demographic assumptions and inflation rate were changed in accordance to the CalPERS Experience Study and Review of Actuarial Assumptions December 2017. There were no changes in the discount rate. In 2017, the accounting discount rate reduced from 7.65 percent to 7.15 percent. In 2016, there were no changes. In 2015, amounts reported reflect an adjustment of the discount rate from 7.5 percent, net of administrative expense, to 7.65 percent, without a reduction for pension plan administrative expense. In 2014, amounts reported were based on the 7.5 percent discount rate.

Notes to Schedule

Valuation date:

The actuarial methods and assumptions used to set the actuarially determined contributions for Fiscal Year 2022-23 were from the June 30, 2020 public agency valuations.

Methods and assumptions used to determine contribution rates:

Actuarial cost method	Entry Age Normal
Amortization method/period	Level percentage of payroll
Asset valuation method	Fair value
Inflation	2.50%
Salary increases	Varies by entry age and service
Payroll growth	2.75%
Investment rate of return	7.00%, net of pension plan investment and administrative expenses, including inflation
Retirement age	The probabilities of retirement are based on the 2017 CalPERS Experience study for the period from 1997 to 2015.
Mortality	The probabilities of mortality are based on the 2017 CalPERS Experience Study for the period from 1997 to 2015. Pre- retirement and Post-retirement mortality rates include 15 years of projected mortality improvement using 90% of Scale MP-2016 published by the Society of Actuaries.

NON-MAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS:

Community Development Block Grant Fund - This fund accounts for revenues received from the U.S. Department of Housing and Urban Development for housing rehabilitation and other community

Housing Authority Fund - This fund is used to account for revenues from the U.S. Department of Housing and Urban Development for housing assistance (Section 8) payments to eligible participants.

HOME Program Fund - This fund accounts for revenues received from the U.S. Department of Housing and Urban Development's Affordable Housing program to assist low income households.

Housing Successor Fund - This fund accounts for the housing assets of the former Community Development Commission.

Law Enforcement Grants Fund - This fund accounts for revenues received from federal, state and local law enforcement grants to be used for public safety.

West Santa Ana Branch TOD SIP Fund - This fund accounts for master land use planning around the two stations in South Gate. Will include not only uses but elements like first and last mile amenities.

Air Quality Improvement Fund - This fund accounts for local revenue received from the South Coast Air Quality Management District to be used for clean air programs.

Traffic Safety Fund - This fund accounts for traffic safety programs funded by moving vehicle violations collected by the County court system and remitted to the City.

Gas Tax Fund - This fund accounts for gas tax and other transportation revenues received from the State for construction and maintenance of streets and roads.

Street Sweeping Fund - This fund accounts for street sweeping fees used to fund the City's street sweeping and storm drain maintenance.

Prop A Transit Fund - To account for revenues received from a one-half cent sales tax collected by L.A. County Metro and distributed to cities for use in transportation service and transportation-related

Prop C Transit Fund - This fund accounts for revenues received from a one-half cent sales tax collected by L.A. County Metro and distributed to cities for use in street improvement projects along major bus

UDAG Fund - This fund accounts for former Urban Development Assistance Grant funds (UDAG) that the City uses for community development projects.

Public Access Corporation Fund - This fund accounts for revenues previously received from the City's cable television operator through a franchise agreement. This nonprofit corporation was established to promote community access through media.

NON-MAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS (Continued):

Street Lighting & Landscaping Fund - This fund accounts for revenues received through a citywide street lighting assessment for street lighting and traffic signal maintenance.

Measure R Transit Fund - This fund accounts for revenues received from a one-half cent sales tax collected by L.A. County Metro and distributed to cities for use in transportation, street and road improvements.

Road Repair & Accountability Act Fund - This fund accounts for revenues received from the 12 cent gasoline tax, 20 cent diesel fuel tax, and \$100 vehicle registration tax collected by the State of California, Department of Transportation and distributed to Cities for the purpose of repairing roads, improving traffic safety, and expanding public transit systems across the state.

Measure M Transit Fund - This fund accounts for revenues received from a 1/2 cent sales tax collected by L.A. County Metro and distributed to cities for use in transportation, street and road improvement projects.

Park Enhancement Fund - This fund accounts for revenues received from the lease of the goal soccer and batting cage facilities, cell tower, and other sources collected by the City for use in park improvement projects.

CASp Fund - This fund accounts for revenues received under the SB 1186 (\$1) and the SB 1379 (\$4) State legislation that assesses a fee when business licenses and equivalent permits are issued or renewed. The CASp program is designed to meet the public's need for experienced, trained, and tested individuals (Certified Access Specialists) who can inspect buildings and sites for compliance with applicable state and federal construction standards.

Measure W Stormwater - This fund accounts for revenues generated from Measure W is used to for regional and municipal projects that improve water quality, prepare for future drought, and provide community benefits such as parks or wetlands. The City uses funds for storm water projects in compliance with the MS4 permit.

Used Oil Recycling Program - This fund is to account for the revenue derived from oil recycling grants awarded by the CalRecycle.

Beverage Container Recycling Program - The California Department of Resources Recycling and Recovery (CalRecycle) administers the California Beverage Container Recycling and Litter Reduction Act which governs the recycling of California Redemption Value (CRV) beverage containers. The primary goal of the recycling program is to achieve an 80% recycling rate for all aluminum, glass, plastic, and bi-metal

Road Mitigation Program Fund - These are funds derived from an impact fee placed upon new development as a way to mitigate the developments impact to the wear and tear upon city streets.

Housing Authority - Development Projects - This fund is to account for acquisition of new development properties use for housing projects.

Permanent Local Housing Allocation Grant - This fund is to account for revenues received from California Department of Housing and Community Development for Accessory Dwelling Units and

NON-MAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS (Continued):

Emergency Housing Voucher (EHV) - This fund is to account for the HUD grant allocations specific to assisting emergency housing needs. It is a housing voucher program to assist for emergency housing for homelessness during the pandemic.

SB 2 Grant Fund - This fund is to account for SB 2 allocations from the state in addressing housing shortage, high housing costs, and supply of affordable homes within City limits.

LEAP Grant - This fund is to account for the LEAP grant revenues to assist with availability of affordable homes and ending the homelessness.

INTERNAL SERVICE FUNDS

INTERNAL SERVICE FUNDS have been established to finance and account for goods and services provided by one City department to other City departments or agencies:

Insurance Fund - To administer the City's self-insured workers' compensation, health insurance and general liability programs. The fund collects premiums from departments and employees, records the related liability and makes benefit payments through outside settlement agents.

Information Systems Fund - To account for the operations and maintenance costs of the City's Enterprise Resource Planning (ERP) systems and hardware used by all City departments.

Fleet Management Fund - To account for the regular maintenance and repair of all City-owned vehicles and other pieces of equipment.

Capital Asset & Equipment Replacement Fund - To account for the funding and replacement of the City's capital assets.

Building & Infrastructure Maintenance Fund - To account for the funding and maintenance of the City's buildings and infrastructure.

CUSTODIAL FUNDS

CUSTODIAL FUNDS accounts for assets held by the City as an agent for individuals, private organizations, other governments and/or other funds. Cash resources are collected, held for a brief period and then distributed to the proper recipients. The City has a fiduciary responsibility for the assets, which it does not own. The following funds are classified as an custodial fund in the financial statements:

Tweedy P & BIA - This fund is funded for several eligible events and activities under the Tweedy Parking and Business Improvement District (BID). To raise funds, each business in the District area will pay an assessment along with the City Business License. Assessments charged to each business will vary depending on the gross income reported on their License application/renewal. Decision regarding use of the BID funds are made by an Advisory Board appointed by the City Council.

Special Deposits Fund - This fund is used to account for deposits placed with the City for future services and trust funds awaiting remittance to relevant service providers.

**City of South Gate
Statistical Section
Overview (Unaudited)**

This part of the City of South Gate’s Annual Comprehensive Financial Report presents detailed information as a context for understanding what the information in the financial statements, note disclosures and required supplementary information says about the agency’s overall financial health.

	Page
Contents	
Financial Trends	183-196
<p>These schedules contain trends data to help the reader understand how the government's financial performance and wellbeing have changed over time.</p>	
Revenue Capacity	197-203
<p>These schedules contain information to help the reader assess one of the government's most significant local revenue source - property tax.</p>	
Debt Capacity	204-208
<p>These schedules present information to help the reader assess the affordability of the government's current levels of outstanding debt and the government's ability to issue additional debt in the future.</p>	
Demographic and Economic Information	209
<p>This schedule offers demographic and economic indicators to help the reader understand the environment within which the government's financial activities take place.</p>	
Operating Information	210-214
<p>These schedules contain service and infrastructure data to help the reader understand how the information in the government's financial report relates to the services the government provides and the activities it performs.</p>

Total Direct Rate*****	0.06078	0.06081	0.06084	0.06086	0.06073

Notes:

*In 1978, California voters passed Proposition 13 which set the property tax rate at a 1.00% fixed amount. This 1.00% is shared by all taxing agencies for which the subject property resides within. In addition to the 1.00% fixed amount, property owners are charged taxes as a percentage of assessed property values for the payment of any voter approved bonds.

**Overlapping rates are those of local and county governments that apply to property owners within the City. Not all overlapping rates apply to all city property owners.

***City's Share of 1% levy is based on the City's share of the general fund tax rate area with the largest net taxable value within the City. The ERAF portion of the City's Levy has been subtracted where known.

****Redevelopment rate is based on the largest RDA tax rate area (TRA) and includes only rate(s) from indebtedness adopted prior to 1989 per California State statute. RDA direct and overlapping rates are applied only to the incremental property tax values. The approval of ABX1 26 eliminated Redevelopment from the State of California for the fiscal year 2012/13 and years thereafter.

***** Total Direct Rate is the weighted average of all individual direct rates applied by the City/Agency preparing the statistical section information and excludes revenues derived from aircraft. Beginning in 2013/14 the Total Direct Rate no longer includes revenue generated from the former redevelopment tax rate areas. Challenges to recognized enforceable obligations are assumed to have been resolved during 2012/13. For the purposes of this report, residual revenue is assumed to be distributed to the City/Agency in the same proportions as general fund revenue.
