ABOUT THIS LEGISLATIVE PLATFORM

The Legislative Platform is a tool for the City to navigate through the legislative landscape. The document outlines the City’s position on priority and important matters. This Legislative Platform allows Council Members and City staff to address and take immediate action on legislative and regulatory issues at the federal, state and regional levels.

This platform supplements existing City Council established goals and policies in various documents including the City’s General Plan and approved Resolutions. The policy statements below are a summary of issues significant to the City. The document is intended to be updated on an annual basis.

Publication of the platform allows for transparent awareness to the community and other interested parties of the City's legislative priorities.

LEGISLATIVE PLATFORM GOALS

- Approval of the Legislative Platform streamlines the City's process and allows City staff to effectively respond and take immediate action on pressing legislation under City Council direction.
- Federal and state legislative proposals and policies consistent with the Legislative Platform may be supported by the City.
- Policies and proposals inconsistent with this Legislative Platform may be opposed by the City.
- For proposed legislation, consistent with the Legislative Platform, City staff shall be authorized to prepare position letters .
- Items not addressed in the Legislative Platform will require further direction from the City Council.
