

PROCEDURES FOR ESTABLISHING PREFERENTIAL PARKING DISTRICTS

Requirements

- A petition with at least two-thirds (2/3) majority of residents within the proposed district must vote in favor of creating, terminating, or modifying a preferential parking district and submitted on the City Petition Form.
- Any creation, termination or change of a PPD is subject to City Council approval at a public hearing.

Number of Permits

- Up to two Residential Parking Permits per parcel with a single-family dwelling valid for 2 calendar years.
- A 1-Day Visitor Parking Permit can be purchased daily, and a 7-Day Visitor Parking Permit can be purchased every six months.

Enforcement and Restriction Time

- Preferential parking is in effect and enforced during the time approved by the City Council at the time the preferential parking district is established by council action.
- Police Department can temporarily suspend enforcement during City organized holidays or special events
- At the time that a preferential parking district is established and posted, there will be a 30-day grace period for the enforcement of the parking prohibitions.

Fees

- Permit fee is \$70 per permit every two years or as established by City fee resolution.

Renewal

- Permits may be renewed by filing a renewal application with the Police Department.
- Resident shall be responsible for renewing permits by the expiration date of the original permit issuance.

Violations

- The sale or transfer of a permit is prohibited and shall be subject to a fine in the amount of one hundred dollars (\$100)
- Any misuse of any permit is grounds for revocation of the permit.

Guide

- Preferential Parking District boundary has to be on consecutive streets and must encompass the entire block. A PPD cannot terminate at mid-block.
